

ISRAELI TROOPS INVADE JORDAN

Kennedy Drives In Dixie

WASHINGTON (AP) — Sen. Robert F. Kennedy takes his presidential candidacy to the deep South's University of Alabama today where he oversaw racial integration in 1963 as attorney general.

Young Democrats at the Tuscaloosa campus were waiting with an endorsement they'd switched from Sen. Eugene J. McCarthy — and a resolution urging McCarthy to get out of the race.

Kennedy, the resolution said, "offers the country a more realistic and in many ways better alternative to the present administration."

McCarthy In Wisconsin

A federal force under the New York Democrat's directorship entered the University of Alabama in June 1963 despite then Gov. George C. Wallace's "schoolhouse door" stand against integration at the Tuscaloosa campus.

McCarthy, meanwhile — with an array of Johnson administration officials campaigning against him in Wisconsin — said he'd like to see the President send his whole cabinet.

"I'd like to have them travel together," McCarthy said. "It would be good for the country to see them all."

Kennedy planned a stop at Vanderbilt University in Nashville, after his Alabama appearance, before a weekend of campaigning for California's 174 Democratic National Convention delegates.

He has scheduled appearances the length of California from Saturday through Monday night.

The administration officials backing Johnson in Wisconsin include Vice President Hubert Humphrey and McCarthy said he didn't think the vice president would hurt him.

"He might say something that would hurt," the Minnesota senator said. "But the last time he and I were in the state together campaigning was in 1960 when I

GOP Senators Support Nixon

LANSING (AP) — Nineteen of Michigan's 20 Republican state senators Wednesday signed and sent to former Vice President Richard M. Nixon a resolution supporting his candidacy for the GOP presidential nomination.

The senators, noting that Michigan Gov. George Romney has withdrawn as a candidate, pledged their "complete support" toward Nixon's nomination and election to the presidency.

The resolution described Nixon as "one candidate who can merge all elements of the party for a victory in November" and as "eminently qualified and conversant with the many problems of both the international and national arena."

The resolution was sent to Nixon along with a letter written by Sen. George Kuhn, R-Birmingham, saying the senators "sincerely anticipate having the privilege of addressing you as President Nixon this November."

Attack Aims At Guerrilla Bases In Arab Kingdom

TEL AVIV (AP) — An Israeli invasion force drove deep into Jordan along a 200-mile front today to avenge a series of guerrilla raids, then began a planned withdrawal once the "police action" to wipe out terrorist bases was accomplished, an army spokesman said.

The daylong fighting that began at dawn with helicopter drops of assault teams and followed with dozens of jet bomber strafing runs cost Israel 15 dead and 70 wounded, according to the spokesman.

The Israelis reported killing at least 150 El Fatah terrorists and said they had inflicted heavy casualties on the Jordanian army. They claimed destroying 15 tanks and capturing two.

Prime Minister Levi Eshkol, who watched much of the fighting from a command post overlooking the Jordan Valley, had said earlier that the troops would be pulled out "on schedule."

MRS. MATTHEW (PHYLLIS) LINDHOUT of Grand Rapids visits with her brother Wayne Leazendy, also of Grand Rapids, in his room at University of Michigan hospital prior to giving him one of her kidneys in a transplant operation at the hospital. Kidney transplants have been fairly routine at major medical centers across the country, with 62 of them having been performed at U-M Hospital in Ann Arbor. (AP Wirephoto)

Saigon Airport Hit By Enemy Shelling

SAIGON (AP) — Despite intelligence reports that many of the Viet Cong menacing Saigon have pulled back toward the Cambodian border, allied forces reported killing 167 Viet Cong close to the capital Wednesday, and 15 enemy shells landed on Saigon's Tan Son Nhut Airport.

The Viet Cong were slain in the 50,000-man Operation Quyet Thang, the biggest allied offensive of the war. In a one-sided fight 15 miles northwest of Saigon, 142 guerrillas were reported killed against only one American and seven South Vietnamese dead. Four miles southwest of the city South Vietnamese rangers reported killing 25 Viet Cong at the cost of four wounded troops.

These actions increased enemy casualties in Operation Quyet Thang to more than 1,000 killed since the sweep began March 11.

THE DESTROYED AIRCRAFT in the foreground is the reason why the U. S. Air Force C-130 above is dropping supplies by parachute to the U. S. Marines at the encircled base of Khe Sanh. Since the aircraft was hit in early March, only helicopters have made landings at Khe Sanh. (AP Wirephoto)

Rocky Will Not Be Candidate

BULLETIN

NEW YORK (AP) — Gov. Nelson A. Rockefeller said Thursday that he is not a candidate and will not campaign directly or indirectly for the presidency of the United States.

The 59-year-old three-term governor said he had concluded that most of the GOP's leaders want the candidacy of former Vice President Richard M. Nixon.

Rockefeller, who conceded the nomination to Nixon in 1960 and lost it to Sen. Barry Goldwater in 1964, said he had decided he "could not truthfully claim" a Republican following big enough to win.

"By the very nature of our political system we must operate through and not outside one of the major political parties," Rockefeller said.

Observers here is that he will run.

At the eleventh hour, however, a top Rockefeller aide reported, "There is still a deep division in our own ranks" about the advisability of having the governor get in the race.

And in Washington Tuesday, when Rockefeller was asked about doubts that he might run, he replied: "Yes, there is reason for that." He did not elaborate.

On the other hand, some senators who attended the meeting with Rockefeller came away with the impression that he has decided to fight it out with Nixon. One source said, "All the indicators were positive, none negative."

Rockefeller is scheduled to announce his decision at a press conference in New York City at 2 p.m. EST today.

He has three major options, they are:

1. He can leave his name on the ballot for the Oregon presidential primary, May 28, and go into the state to campaign in a head-to-head battle with Nixon. He would thus officially be in the race.
2. He can leave it there but not actively campaign in the state. He is well known in Oregon. He won in its 1964 primary.
3. He can stay out by filing an affidavit with the Oregon secretary of state, disclaiming candidacy. This would take his name off the ballot.

NEW YORK (AP) — Gov. Nelson A. Rockefeller of New York makes his long-awaited announcement today as to whether he is a candidate for the Republican nomination for president, challenging the front-runner, Richard M. Nixon.

The consensus among political

Tests Decide Fate Of F11B

WASHINGTON (AP) — Sen. John Tower says the fate of the F11B—Navy version of the controversial TFX warplane—will hinge on tests of the swing-wing interceptor on aircraft carriers during April.

The Texas Republican, a member of the Senate Armed Services Committee, disagreed with reports the panel has all but decided even before the carrier tests to deny the Navy's request for \$350 million to construct 30 F11Bs.

Tower instead said he thinks the "committee position is fluid right now."

The panel begins today considering the massive Navy procurement request, which includes the proposed F11B authorization.

Pentagon sources, in predicting earlier that the committee would ditch the plane, said the action could come even before Navy engineers report next month on four contractor proposals to replace the F11B.

Mansfield Asks Deep Aid Slash

WASHINGTON (AP) — Democratic Leader Mike Mansfield says he'll urge the Senate to cut President Johnson's \$2.92 billion foreign-aid request "to bare bones."

But Mansfield, a critic of Vietnam war escalation, said in an interview he would oppose any effort to suspend the program for the duration of the Asian conflict.

"The trend in foreign aid is in the right direction—downward," he said. "I believe that it should be cut to bare bones this year. But I do not think it can be cut off entirely. That would only be

Tax Break For Vets

House OKs Condemnation By Low-Grade Iron Mines

LANSING (AP) — Bills giving a larger tax break to disabled veterans and permitting iron mining companies to acquire private property by condemnation were passed by the House Wednesday and sent to the Senate.

Approved also were bills to require operators of motorcycles without windshields to wear eye-protecting gear and to set up a special commission to determine some top state officials' salaries.

A bill amending the 1966 veterans homestead property tax exemption to raise benefits an estimated \$2.3 million a year and give the most tax relief to the most disabled veterans was approved 96-4.

Pegged To Disability

A veteran rated between 60 and 80 per cent disabled would enjoy a \$4,000 exemption and one 90 per cent or more disabled would pay no taxes on the first \$4,500 of his homestead property.

Pegging degree of relief to degree of disability was recommended to the Legislature in January by Gov. George Romney.

Currently, state law exempts from taxation the first \$2,000 in value of the home of a disabled veteran of World Wars I and II and the Korean conflict.

Aid For Mining

The House bill would graduate the exemption, setting it at \$2,500 for the widow of a non-disabled veteran and at \$3,500 from 10 to 50 per cent disabled. The measure would extend coverage to Vietnam veterans.

Still ineligible would be any person earning over \$7,500 a

Reds Still Seek Pueblo Apology

WASHINGTON (AP) — U.S. officials say letters from captive Pueblo crewmen to their families at home appear a new North Korean bid to wrest an apology from President Johnson.

Some relatives of crewmen, in telling Wednesday of receiving such letters, expressed suspicions they were written under North Korean supervision.

Catherine O'Bannon, wife of Michael O'Bannon, 21, a fireman on the intelligence vessel when it was captured Jan. 23 off North Korea's coast, said the letter she received repeatedly urged her to tell U.S. authorities the Pueblo violated the Communist nation's territorial waters.

Mrs. Warren Hayes of Columbus, Ohio, said the letter apparently written by her son, Radioman 2.C. Lee Hayes, described the Pueblo as an espionage ship spying in North Korean waters, asked the United States to admit this and apologize, and added:

"I ask you as my parents to do the same."

Officials in Washington noted such requests closely paralleled those in a letter—purportedly

are surprisingly low for an engagement of this size," a spokesman said.

Israeli military sources said Israeli jets were in action along the border and that the strikes were "quite heavy."

A Jordanian communique said Israeli planes bombed forward Jordanian positions, and Jordanian anti-aircraft guns responded.

The Jordanians said "savagely" fighting was still raging all along the front.

AP correspondent Roy Essoyan reported from the Jordanian side of the river that the Jordan valley presented a dramatic scene at midmorning, with Israeli planes swooping low over the west bank and puffs of explosives clearly visible from a hilltop 15 miles east of the front.

A column of camouflaged Jordanian tanks moved toward the river, the southern portion of which was shrouded in smoke.

Action At Camp

Most of the action appeared centered around the former refugee camp at Karamah, three miles east of the river. The camp was evacuated after the Israeli attack on Feb. 15.

East of Karamah, the normally quiet villages nestled in green oases were thronged with farmers clustered around transistor radios.

Military traffic moved down the two main roads from Amman to the River Jordan.

Army checkpoints were thrown around Amman and most civilian traffic was stopped on the outskirts of this capital, less than 25 miles from the latest fighting.

Amman radio reported the army in neighboring Syria had been put on alert from the early hours of this morning. Irregular militia units were also on alert in Syria, it said.

There have been no reports so far of any activity on the vulnerable Syrian cease-fire line with Israel.

Israeli spokesman said Israeli units were going into action in the dusty, low-lying Jordan Valley and across the southern land border south of the Dead Sea "as they are required."

Large Scale Attack

The attack apparently was on a large scale, but its exact strength was not known.

Kol Israel, the government radio, said the Israeli force would withdraw when their mission was completed. But there was no indication when this would happen.

The Israeli forces reported they had taken control of Karamah, the chief guerrilla headquarters 10 miles south of the Damiya Bridge and about three miles beyond the east bank of the Biblical River.

Karamah is also the site of a camp housing about 30,000 Arab refugees. The Israeli radio said troops were handing out leaflets to the Arabs telling them to surrender all arms and stay indoors until further notice.

Israeli sources estimate 1,000 guerrillas—most of them mem-

Price Rollback

WYANDOTTE (AP) — Wyandotte Chemicals Corp. said Wednesday it has rescinded a one cent per pound price increase on large volume polyol chemicals in order to keep its price competitive. The chemicals are used in flexible urethane foams and in elastomers. The increase had been scheduled to go into effect April 1.

Today's Chuckle

A man was asked by a salesman if his wife was home. "She must be," said the husband. "The phone is still warm."

Seven Places Hit:

City Burglar Strikes Again

Escanaba's elusive burglar, who likes the game more than money, broke into six places and tried a seventh in the city last night, it is reported by police.

The latest breaking and entering brings to 14 the complaints police have received since last Friday. There were seven over the past weekend.

In all, the amount of money the thief has taken could be referred to as "peanut pay" for his labors. Lending credence to the theory that he likes to "kicks" as much as anything is the fact that considerable sums of money have been overlooked in some of the burglaries. In others, small change has been spurned as unworthy of his attention.

Police Chief Richard Frederick today asked that citizens cooperate by "notifying the police immediately if they see any suspicious activity."

"Call the police if there is a prowler, or suspicious-looking car, or anything that would lead to the belief that something is amiss," said Chief Frederick.

Almost Caught

The burglar was almost caught in the offices of Hoyer & Bauer, Inc., 1924 Ludington St., which he entered between 2:45 and 3 a.m. today.

Leonard Sundquist, an employee, left the building to have coffee with Leroy Smith, attendant at Ludington Motors nearby. He returned in about 15 minutes, discovered a glass in the door had been broken, heard someone inside, and returned to Ludington Motors.

Smith called police and Sundquist returned to keep watch at Hoyer & Bauer, sitting in his parked auto. Police arrived to find the building empty. The thief apparently had been frightened away by Sundquist's return.

After entry failed by breaking the glass, the door had been forced open by the use of a pry tool — the same method as in several of the other burglaries. At Hoyer & Bauer desks and file cabinets had been opened, but no money is missing.

Several Others

The list of other burglaries under investigation include: Escanaba Machine Co., attempting breaking and entering; Harnischfeger Credit Union building, 3rd Ave. N., reported at 9:50 a.m. (the latest in the

list) and still under investigation to determine any losses.

Club 314 — the city recreation building on S. 14th St. — was hit last night or early today. The burglary reported at 8:47 a.m. by Fred Lueneberg. The Stegath Lumber Co. offices were broken into but there appeared to be no cash missing.

The Washington School was reported as entered when a glass was found broken in a door at 6:54 a.m. today. Principal Joseph LeDuc told police that about \$12.75 in bills and small change is missing from the secretary's office.

The State Highway Department offices at 1801 Ludington St. were entered last night by a thief who broke a glass in the door. There appeared to be no money missing.

Bids On Sewers Studied; Report Set For Tonight

The City Council in special meeting Wednesday night opened bids for the construction of sanitary sewers, with federal assistance, and referred them to City Manager George Harvey for study and a recommendation at tonight's Council Session.

There were six bids received, the apparent low bid coming from Rose Contracting Co., Bay City, in the amount of \$86,821.30.

John Miller, Detroit, representing Housing and Urban Development, is conferring today with federal authorities to obtain the necessary approval before the successful bid is approved.

The project is for the extension of sanitary sewer mains along 8th Ave. S. from 23rd St. to Willow Creek Road; and south on 23rd St. from 14th Ave. S. to Sylvan Point.

Total estimated cost is \$88,000 with \$57,000 supplied by the city and \$44,000 in federal funds.

Briefly Told

Sheriff Harold Finman and Deputy Hector Larson have returned from Nashville, Tenn., after picking up John R. Besaw, 30, formerly of Delta County. Besaw was arrested for Delta County by Tennessee authorities on a breaking and entering warrant. He is being held in the Delta County jail.

Plan Cleanup Of Alewives

CHICAGO (AP) — A federal-state task force buckled down today to the job of keeping tons of dead alewives from littering Great Lakes beaches this year.

"It is unlikely that the die-off in 1968 could approach the magnitude of 1967," said Al McLain of Ann Arbor, Mich., of the Bureau of Commercial Fisheries.

One reason, he added, was the tremendous die-off in 1967. Last year nine million pounds of the dead fish were hauled away from the Lake Michigan shore in Chicago alone.

The task force was set up by the Great Lakes Basin Commission to devise plans to cope with the alewives this spring. The commission was established to conserve the waters of the Great Lakes and their shorelines.

The task force is made up of representatives of Indiana, Illinois, Wisconsin, Michigan, Ohio and federal agencies.

Meanwhile, in Washington the Senate Interior Committee has approved a bill to control Lake Michigan's alewives.

The bill — which bears the names of Sens. Vance Hartke, D-Ind., and Gaylord Nelson, D-Wis.—was sponsored by 10 senators from Great Lakes states.

It would provide \$5 million in federal funds, to be matched by contributions from interested Great Lakes states, to develop long-range, alewife-control programs. It provides also that states could use their share of the funds for cleanup operations.

"I will push for prompt passage of the measure," Hartke said. "Recent reports from the Interior Department indicate this year's die-off may be as bad or even worse than last year's."

Motorists See Larger Signs

HOUGHTON (AP)—Eight-foot wide illuminated signs with 20-inch letters finally are catching the eye of motorists approaching the Houghton-Hancock lift bridge, reports the State Highway Department.

The bridge carries U.S. 41 and M 26 traffic over the Portage Canal, which is used by Great Lakes freighters and pleasure boats during the navigation season.

Water traffic has the right of way over highway traffic and motorists are required to stop so the bridge can be raised for passing of boats.

The larger, eye-catching signs, resulted in a more than 61 per cent reduction in the number of motorists failing to stop immediately, minimizing delays in raising the bridge, the highway department said.

Romney Withholds Endorsement To Hear Candidates

LANSING (AP) — Michigan Gov. George Romney says he will not endorse Nelson Rockefeller immediately if the New York governor today announces his candidacy for the Republican presidential nomination.

Romney, who recently withdrew from the GOP presidential race, told a news conference he wanted to confer with Michigan delegates to the Republican national convention and also to hear the positions of both Rockefeller and former Vice President Richard Nixon on the issues.

"I don't think either candidate has spelled out his position on the major issues," Romney said, indicating he specifically had the Vietnam war in mind. "Mr. Nixon's position is not clear," Romney said. "He has said he's going to end the war in Vietnam and win the peace in the Pacific, but he hasn't said how he's going to do it. Apparently he has some kind of secret plan."

Rockefeller, on the other hand, has said little publicly about the Vietnam issue, Romney said.

THE PRODUCTION OF Christmas trees was discussed at a meeting at the Delta County building Wednesday night. Comparing notes are (from left) Lester Bell, Michigan State University forester; Octave Carignan and Clarence Charles, farmers of Cornell.

Christmas Trees:

Encourage More Tree Plantings

Christmas tree farmers of the area were encouraged to make more plantings to keep up with the harvest of trees, which totaled four million in the fall of 1967, at a meeting of growers held at the Delta County Court House Wednesday night.

Lester E. Bell, East Lansing, and Roy E. Skog, Marquette, forestry specialists with Michigan State University, discussed the need for continued production of trees to meet the holiday demand, and also covered subjects of concern to growers—weed and insect control, spraying for color, and marketing.

J. L. Heirman, Delta County agricultural extension agent, arranged the meeting which was attended by 35 persons interested in the production of Christmas trees.

Tree production practices were discussed by Skog and Bell. The latter is the author of a book and numerous articles on the subject and is a recognized national authority in the field.

New research findings were reported, with the best varieties of Scotch pine to plant in the Delta County area named, based on genetics studies. Choices of other trees to plant, including different kinds of spruce and fir, were also explained.

Bill Cuts ADC; Study Ordered

LANSING (AP) — A \$30.2 million supplemental spending bill was back in Senate committee today for study of complaints by lawmakers and welfare mothers that it would slash aid to dependent children (ADC) payments.

The bill passed the Senate in a 22-7 bipartisan vote Wednesday, but minority Democrats withdrew their "aye" votes, forcing the bill's reconsideration, after Republicans refused to let a Democrat offer an amendment.

The bill was sent back to the Senate Appropriations Committee for further study before the amendment could be offered and another vote taken.

The measure, which would give \$23.2 million to the Department of Social Services to provide for increased ADC and Medicaid expenses, was the subject of a two-hour demonstration outside Gov. George Romney's office earlier in the day.

Some 50 women, representing mothers receiving state and federal aid to poor families with dependent children, jammed the hall outside Romney's office and refused to leave until they talked with him.

They argued that unless the social services money is raised to \$25.5 million, ADC recipients, already living at below poverty level, will face a 10 per cent cut.

Romney, busy in his office, asked Charles Orlebeck, director of programs development, to speak to the group, but the women refused to listen to him.

The governor emerged from his office at noon and, standing on a chair, told the women that he originally had recommended supplemental funds be provided to maintain ADC payments at their present level.

"Since then 1,600 persons have been added to the rolls in the last two months," he said, adding that the original \$23.2 million was no longer sufficient.

He said he would continue to recommend that enough money be provided to keep payments at the current level, but pointed out that it is up to the Legislature to approve the spending bill.

Panel Named For Fireman Training

LANSING (AP)—Gov. George Romney has appointed a new Fire Fighters Training Council, authorized to establish standards for the training of fire fighters in the state.

Named to the council Wednesday were: Chief Don Burrows of the Battle Creek Fire Department; Chief Alex Kato of the Taylor Fire Department; Sgt. Arville St. John of the Buick Fire Department, Flint; Lt. Leon Prosniewski of the Wyandotte Fire Department, and Fire Engine Operator Daniel Deleog of the Detroit Fire Department.

Kato was named for a term expiring Dec. 31, 1969. All the others will serve for terms expiring Dec. 31, 1970. Senate confirmation is required.

Crash Injures John Johnson

John R. Johnson, 59, of 300 S. 12th St., was injured about 5:10 p.m. Tuesday when his car ran into a Soo Line Railroad overpass about off U.S. 2 and 41 about a half mile north of the Escanaba River bridge.

State Police said Johnson's car dropped off the right shoulder of the road before hitting the overpass.

Johnson was reported in satisfactory condition today at St. Francis Hospital. He suffered facial lacerations and possible fractured ribs, hospital officials said.

State Police also reported that a truck driven by Ernest Berg, 54, of 508 S. 16th St., Escanaba, struck a utility pole owned by Upper Peninsula Power Co. off County Rd. 521 a mile south of U.S. 2 and 41 in Ford River Township.

Officers said the truck had a broken shock and spring on the right side, causing Berg to lose control when he hit a soft shoulder. Berg was not injured.

Catholics Appeal For Overseas Aid

For the 22nd consecutive year, Upper Michigan Catholics will be asked to contribute Sunday to the Catholic Bishops' Overseas Aid Fund.

Money collected is shared with Catholic Relief Services, the agency serving for American people in over 70 countries where the Church is carrying on a program of relief and self-help affecting the lives of over 40 million people.

Upper Michigan Catholics contributed \$38,589 to the 1967 appeal and over the 21 years have collected \$525,863.

In addition to this cash contribution, in 18 Thanksgiving clothing collections a total of 584 tons have been shipped to the New York and Milwaukee warehouse of CRS.

Contributions will be accepted at all Catholic parish churches Sunday.

Navy Men Fear Reds May Move In Indian Ocean

WASHINGTON (AP) — U.S. naval strategists are expressing concern that an impending visit by Soviet warships to Indian ports may be a first move toward a Soviet penetration of the vital Indian Ocean area.

The United States keeps no Navy vessels in the Indian Ocean and U.S. admirals and diplomats fear the planned British pull-out east of Suez will leave a vacuum into which the Soviets may step.

Naval strategists say this would be a further extension of Soviet naval power which Moscow has been sending far and wide in the last few years.

A 19,000-ton Soviet cruiser of the Sverdlov class and two guided-missile destroyers are due to drop anchor at Madras and Bombay late this month and early in April.

Closer Ties

The visit appears to underscore a closer relationship between the Indian and Soviet navies and greater cooperation between the two countries.

Pentagon sources said they believed the three warship cruises into the Indian Ocean were arranged last month when Adm. S. G. Gorshkov, Soviet fleet commander in chief, visited India.

Some four years ago, when the U.S. Navy sent a five-ship carrier squadron into the Indian Ocean area on a "show-the-flag" and good-will voyage, the Indian government acted suspicious of U.S. motives, as did the government of Ceylon.

The American squadron which spent six weeks in the Indian Ocean, visited a number of African and Middle Eastern ports but did not stop in India.

Admirals Concerned

U.S. naval spokesmen have been indicating deep alarm at the ever-spreading Soviet fleet operations.

Since the Arab-Israeli war last June, a Soviet force of more than 35 ships and submarines has maintained a presence in the Mediterranean, using Egyptian ports and anchorages in certain sheltered waters around the Mediterranean basin.

Secretary of the Navy Paul R. Ignatius reflected the concern of the admirals when he told Congress last month that "we see an expanding Soviet threat to our free use of the seas."

Adm. Thomas H. Moorer, chief of Naval Operations, said that with the Soviets keeping four to six submarines in the Mediterranean, the U.S. feels it necessary to station a naval anti-submarine hunt-killer group in that area at all times.

May Change Attitude

With the Vietnam war straining its naval resources, the United States would like to avoid replacing the British presence with an American force afloat in the Indian Ocean.

The State Department has said "we have no plans to move in where the British forces pull out."

But if the initial Soviet naval cruise into the Indian Ocean became a regular phenomenon, U.S. strategists say this country may have to rethink its attitude toward maintaining fleet forces in that area.

Stocks Higher In Early Trade

NEW YORK (AP)—The Stock Market moved upward slightly in fairly active trading early today.

The Dow Jones Industrial Average was up 1.50 at 832.35 in the first half hour of trading.

Gains outnumbered losses by a slight margin.

Among the issues scoring fractional gains were Air Reduction, Cerro Corp., American Cyanamid, Alcoa, Hooker Chemical, Union Carbide, Ford Motor, and Union Carbide.

Opening blocks included Occidental Petroleum, up 1/4 at 35 1/2 on 11,000 shares, and American Telephone, up 1/4 at 49 on 6,500 shares.

Brokers said the market may have been given some impetus by the short interest ratio which rose to 2.2 in the latest month. They said the rise was "an extremely bullish reading" but added that "it remains to be seen whether isolated items such as this can snap the market out of its lethargy."

Wayne Glee Club Is Well Traveled

The Wayne State University Glee Club, which will appear in concert in Escanaba next Tuesday, has made numerous public appearances in the United States, Canada and Europe and is planning another international tour next year as part of the University's Centennial Year celebration.

Advance tickets for adults, students and families are being sold by members of the Escanaba Area High School Choir, who will sponsor the concert here.

Tickets also are expected to be on sale at the door of William W. Oliver auditorium in the junior high school before the 8 p. m. concert.

Conrad Beck, high school choir director, said today that he is seeking housing for the Glee Club's overnight stay. He reported that a substantial number of the college students will be housed with high school choir members, but not enough for entire company.

Anyone interested in hosting two members of the Glee Club is asked to contact Beck at the high school, ST 6-6521, or at home, ST 6-1054.

In the 1966-67 concert season, the Glee Club performed in the Tri-University Concert with the Canadian Royal Military College and Hart House Glee Club of the University of Toronto, sang a performance at Shaarey Zedek Synagogue in

Dr. Harry Langford

Southfield, held a special concert for the "Living Stage" in Fenton.

In the Spring of 1967, the Club appeared for the North Central Division of the Music Educators National Conference in Detroit.

During the 1965 European Concert tour, the Glee Club appeared in Holland, Germany, Austria, Italy, Switzerland, France, England, Wales and Denmark.

The Glee Club is now planning another international tour for the summer season of 1968 as part of the University's Centennial Year Celebration.

Coho Spur To Tour Inquiries

LANSING (AP) — Michigan's tourist industry potential for the coming year looks promising—if answers to national advertising are a good indication.

The Michigan Tourist Council reports inquiries resulting from advertising totalled 18,171 in January and February, an increase of more than 120 per cent over the same period last year.

More than 143,000 pieces of literature booming Michigan as a tourist state were distributed during the two-month period.

The state's successful coho salmon fishing season last fall received attention in a number of national publications for sportsmen, the council said.

The interest in the new sports fish is believed responsible for a good share of the increase in inquiries.

During the same two months, meanwhile, four Michigan tourist council films were shown to more than 200 individual groups in Illinois, Indiana and Ohio.

Weekend With Professors Is Set At Marinette

An archaeologist, a designer-craftsman, and a professor of English will be featured in "A Weekend with the Professors" presented by the University of Michigan Extension Service at the Dome Motor Hotel in Marinette on Friday and Saturday, March 22 and 23.

This is the fourth "Weekend with the Professors" to be presented in the U.P. area and the first one with the cooperation of the University of Wisconsin.

Professor Aarre K. Lahti of the School of Architecture and Design at the University of Michigan will lecture on "Confessions of a Designer" and "The Burdens of Freedom, Affluence and Democracy". Clark Hopkins, professor emeritus of classical art and archaeology at the University of Michigan, will lecture on "Personal Experiences in Excavations" and John O. Lyons, associate professor of English at the University of Wisconsin, Madison, will lecture on "The Modern Antic Novel."

The "Weekend" will begin with registration at 5 p.m., C. S.T. on Friday and will continue after a 6:30 dinner. Jean Worth, editor of the Escanaba Daily Press will preside.

The Marinette County Center of the University of Wisconsin is cooperating with the University of Michigan Extension Service office at Escanaba to present this program. Inquiries concerning the "Weekend" may be directed to the Escanaba Office of the University of Michigan Extension Service, P. O. Box 394, Escanaba or to the University of Wisconsin Marinette Center, Bay Shore Road, Marinette, Wis.

Electricity Off

DETROIT (AP) — Detroit Edison has reported a total electricity production in the last week of 538,256,000 kilowatt hours, slightly lower than the previous week.

RICHARD TERMINELLO views flooded homes and automobiles from his porch in the Bryant street section of Bryant, Mass., Tuesday morning. A two-day drenching rain that brought near-record accumulations caused flooding in some southeastern Massachusetts areas. Water damage was expected to total millions of dollars. (AP Wirephoto)

Auto Industry Opposes Speed Control Devices

DETROIT (AP) — The auto industry has come out against speed control devices on new cars but suggested instead a system in which a car's lights would flash and the horn would sound if the vehicle was driven at excessive speeds.

The proposal by the Automobile Manufacturers Association was in response to a request by

Dr. William Haddon Jr., director of the National Highway Safety Bureau, for comment on a proposed new federal safety standard.

It would provide that new cars be fitted with automatic governors which would limit the speed of autos, generally in the 80 mile per hour bracket. The Haddon proposal was put out as a feeler to get industry reaction and no timetable was set for it to be put into effect.

ADA For Bobby

DETROIT (AP) — The executive board of the Metropolitan Detroit chapter of Americans for Democratic Action announced Wednesday it is supporting U.S. Sen. Robert Kennedy, D-N.Y., for the Democratic presidential nomination.

"We will work wholeheartedly for delegates to the Democratic convention pledged to support an alternative to the renomination of President Johnson," the board said.

Safety Methods, Lifesaving Taught In Boating Course

The second meeting on boat and water safety was held at the Chamber of Commerce building Tuesday night.

Instructors were Richard Weycker of Gladstone, Bill Stenbol of Escanaba and conservation officer Frank Opolka.

David von Zon, county 4-H club extension agent, demonstrated various types of knots used in boating. Subjects covered Tuesday included the use of lifesaving devices, safety equipment and "rules of the road" in navigation.

Final session is scheduled Tuesday, March 26, at the Chamber of Commerce building. An examination will be given and those satisfactorily completing the test will be given a boating safety certificate.

The course is sponsored by the Michigan Dept. of Conservation. Additional courses will begin in the near future in Escanaba and Gladstone. A safety certificate is required by state

REAL SWINGER actress Betsy Palmer who enjoys a few hours' work out in a gym whenever she can fit it into a busy schedule.

law for children ages 12 to 16 to operate a motor boat with power of 6 horsepower or more on Michigan waters.

Elton Thompson who was injured in a one car accident a few weeks ago, has been released from Schoolcraft Memorial Hospital and is at his home in Garden.

Mr. and Mrs. T. W. Thompson of Gladstone, Mr. and Mrs. Paul O'Neil of Oconto Wis., and Mr. and Mrs. Henry Feldhusen and daughters, Barbara and Mary of Wetmore were visitors at the William Swear home on Sunday.

Mr. and Mrs. Eldred Farley and Mrs. Lucy Purtil of Manistique, and Mr. and Mrs. Leslie DeVet of Fairport were Sunday visitors at the Blanch Jacques home.

Mrs. Fern Thompson of East Lansing, sister of Mrs. LeRoy Winter, is visiting at the Winter home this week.

Carlton Gentz of Oshkosh was a weekend visitor at the LeRoy Winter home.

Supper, Card Party

A St. Patrick's Day supper and card party was held at St. Peter's Parish Hall Sunday evening, Mar. 17. Prizes were won by Isabell Thill, Mildred Tatrow, Eva Van Remortal, George Coppess, Tom Peterson and Gary Lang. The door prize was awarded to Bertha Peterson.

Pot Luck Supper

A family pot-luck supper was held at the Congregational Church, Sunday, March 17. A social evening followed the supper.

Kelley Urges Cyclist Curb

LANSING (AP) — Stricter licensing and regulation of motorcycle riders to cut down on the mounting highway death toll has been urged by Atty. Gen. Frank Kelley.

Kelley cited what he termed "an alarming rise in accidents involving motorcycles and related vehicles."

State Police figures show that with 39,000 motorcycles registered in 1964, they were involved in 64 deaths on Michigan highways.

In 1966, the last year with full figures available, there were 81,136 motorcycles registered and 104 deaths involving drivers or passengers.

State Police predict 1967 registrations will top the 100,000 mark with an accompanying increase in deaths.

Kelley proposed a separate license for motorcycle operators with a stiff written and road test requirement.

He also suggested such safety requirements as dual brakes, a working muffler and a horn in good working order.

The secretary of state's office, while agreeing with most of the suggestions, has proposed that those operating a motorcycle under a conventional license be allowed to retain such a license by having it endorsed for motorcycle use.

MUSTANG

ELECTED NO.1 BY AMERICANS FROM 1964 THRU 1967!

VOTE MUSTANG FOR 1968.

SEE AND TEST-DRIVE YOUR CANDIDATE AT YOUR FORD DEALER'S TODAY.

WIN A MUSTANG!

OFFICIAL BALLOT

RULES

- On the official ballot or facsimile, vote for your favorite Mustang and write your reason in 25 words or less.
- Additional ballots may be obtained by sending a self-addressed, stamped envelope to: Mustang, P.O. Box 333, Milwaukee, Wisconsin 53201.
- Print your name and address and the name and address of your Ford Dealer on the Official Ballot. Mail your entry to: Mustang, P.O. Box 333, Milwaukee, Wisconsin 53201.
- Contest is open to residents of Wisconsin and Upper Peninsula of Michigan, except employees (and their immediate families) of Ford Dealerships, Ford Motor Company and its advertising agencies, and employees of R. H. Donnelley Corp.
- Entries judged on basis of appropriateness (20 points), freshness (20 points), sincerity (20 points), clarity (20 points). Entries will be judged by the R. H. Donnelley Corp.
- All entries, contents and ideas therein belong unqualifiedly to Ford Motor Company for any and all purposes.
- Liability for federal, state or other taxes imposed on the prize is the sole responsibility of the winner.
- Contestant's entry in contest constitutes acceptance of these rules.
- Entries received by April 15, 1968, will be eligible for the contest. Winner will be notified by mail on May 1, 1968.
- Winner to receive Mustang for which he voted equipped with 6-cylinder engine and all standard factory equipment.

Men And The State

George Rintamaki of Newberry has been interested in conservation for many years. He has written many articles about it. He has attended meetings of the Northern Michigan Sportsmen's Association for several decades.

He is confident that under the presidency of Clarence Swanson of Republic the sportsmen's organization is going to enter a new period of enlarged usefulness. There is opportunity for the Sportsmen's Association to enlarge its usefulness by bringing a closer association between the sportsmen it represents and the State Conservation Department.

The Association and the Department seem seldom to be in the same bed. The Department says bounties on predatory animals are for the birds; the Association urges every year that they be restored. The Department urges any deer hunts and the Association favors a ban on doe shooting.

"The organized sportsman," says Rintamaki "has a right to be heard."

But of course, And he is heard. He exerts a strong influence on the Michigan Legislature, which enacts the game laws.

The Conservation Department has had no greater defeat in the Upper Peninsula than this; that the Northern Sportsmen's Association has for so many years voted no confidence in its major game management policies. The Department seems to have made up its mind that it is correct, that it conforms to policies recognized nationally and internationally as sound; that it is the right of the Association to dissent if it chooses to, and that it will not exert a massive effort to educate it.

The mass news media share with the Conservation Department this failure to get public agreement with scientific opinion on game management, and so does our educational system. But the chief responsibility rests with the Conservation Department. It has never regarded public education on conservation in the Upper Peninsula as worthy of extensive, professional attention.

Partly at least because of this attitude we have an annual vote of no confidence in the Conservation Department by the Northern Michigan Sportsmen's Association. If it is right there should be some firings in the Conservation Department and if it is wrong the Conservation Department should find some means of changing its mind so that our Legislature is not under constant pressure to do some wrong things in conservation, and the public under invitation to believe that its conservation workers are floundering around in the swamps of ignorance without enough sense to ask the deer hunters to set them straight.

The problem has been solved in other states and it is in the process of being solved in the Upper Peninsula, apparently, because just last weekend at a regional meeting of representatives of sportsmen clubs which belong to the Michigan United Conservation Clubs, the sportsmen endorsed a Conservation Department-approved proposal to abolish the bounty on coyotes. The tone of the MUCC meeting was one of cooperative inspection of the state's conservation program.

The meeting didn't talk about doe shooting — an all-time miracle in a U. P. gathering of sportsmen — but talked constructively of pollution control and other broad view goals of conservationists. This is progress.

ace of clubs and led a second heart. West was in with the ace and played a diamond. South won in dummy, ruffed a spade with the last trump in his hand, discarded dummy's last spade on the king of clubs, entered dummy with a diamond, picked up East's last trump and made his slam. We won't say that South was in the best contract in history but it was a reasonable slam and he made it. At the other table East decided that his hand was good enough to open one spade. It was, with 11 high card points and a good spade suit.

South was ready with a wonder bid. He bid three clubs — a week jump overall. This week jump overall shut West out of the bidding and it also had the effect of keeping North quiet. A vulnerable week jump overall may not be too weak but it isn't likely to be one with support for some other suit and North held only one club.

Six clubs made also when the queen of clubs dropped, so the effect of the two wonder bids was to get South to a slam at one table and hold him to a part score at the other.

Q—The bidding has been:
West North East South
1 ♠ 2 ♣ Pass 2 ♥
Pass 2 N.T. Pass ?
You, South, hold:
♠ A Q 8 7 ♥ 3 2 ♦ K J 9 8 ♣ Q 5 3
What do you do?

A—Bid three clubs. You want to make sure that your partner knows you don't have any heart stopper in your hand.

TODAY'S QUESTION
Your partner continues to three no-trump. What do you do now?

Answer Tomorrow

The Escanaba Daily Press has 95 per cent coverage in the City of Escanaba, 94 per cent in the City of Gladstone, 90 per cent in the City of Manistique and 83 per cent throughout Delta County. The Daily Press is a welcome visitor in 10,400 homes daily in a five-county Central Upper Peninsula area. Smart advertisers use the Escanaba Daily Press.

BARBS

By PHIL PASTORET
Burlesque isn't what it was. No, sir. Last burlesque show we saw featured a chorus of can't-can't dancers.

When the ice melts in the streams and the first spring flowers begin to show, it's a sure sign the darndest snow of the winter is about to hit.

Don't be half-safe. Look BOTH ways before crossing the street.

The office wolf keeps his spending money in a cookie jar.

FISHER...

The Porcupine Tamer

THE FISHER has returned to Michigan, and it appears as though he plans to stay. Sixty-one fishers were released between 1961 and 1963 in the western Upper Peninsula's Ottawa National Forest and another 60 were released at the same time, across the border in Wisconsin's Nicolet National Forest. This dynamic member of the weasel family is noted for its ability to catch, kill, and eat porcupines, a feat not generally attempted by other wildlife. Porcupines, while interesting in themselves, often girdle and kill trees in valuable stands of timber, or wreak havoc in cabins, or chew up highway signs. The fisher is truly a remarkable animal. He averages 8 to 10 pounds, which makes him about the size of a large house cat. Fishers vary in color, but a fine specimen is a rich deep mahogany color with bluish over-tones and long dark hair which shades into black. Although he spends more time on the ground than in trees, he is almost more at home in trees than any other animal. Fishers were found here in fair abundance when the state was young, but retreated before the settler's ax and trapper's trap.

Letters To The Press

SCHOOL AID

While it was very gratifying that bills have been proposed on the floor of both the Senate and House to provide state aid to public schools, and the parents of children in private schools; to provide the educational requirements of state law; it has been equally frustrating that neither the Senate nor House Educational Committees released these bills before the body for passage.

Because letters to the editor have been published opposing these bills, I feel that I should express my feelings and the feelings of a great many of my friends and acquaintances. I sincerely hope that I will be able to do so in a manner that will not inflame a spirit of jealousy, bitterness, bigotry, prejudice, or ill-will among my many friends in both the public and private schools. By private, I also mean religious schools.

Every citizen of this country knows or should know that all schools are in financial trouble. This is especially true of religious schools, because their income has to come wholly from the parents of the pupils who come mostly from the low income group.

Parents, by civil law have to provide and see that their children receive a high school education that meets the requirements of the State Board of Education and are taxed so that money is available to meet these requirements by the civil government.

Now I gather from previous letters to you and others, that some people are opposed to these bills on the grounds that they would be unconstitutional. Because they call for direct payments to the parents, so that they can meet the requirements they are obliged to meet by civil law and those requirements only. I can see no violation of the constitution, only justice. It most likely will be the duty of the public school superintendent to see that these payments are not out of line with public school costs.

The majority of our forefathers who came to this country and settled it did so in order that they could have religious freedom, freedom of education, freedom of political beliefs and a voice in their way of life. They felt that "Taxation without representation was tyranny."

The parents who sacrifice to send their children to private religious schools instead of public schools, do not do so out of disrespect for public schools, but because they believe that man does not live by bread alone. In other words a material education is necessary in order to be able to gain the things of this world. But, "What would it profit a man to gain the whole world but in the end he lost his Soul?"

The civil requirements are good and necessary. "God's" requirements are more so. For years these parents were able to provide both for their children by sacrifice and the works and good

Electronic Tools Aid Gold Search

LOS ANGELES (AP) — Electronic devices that can "sniff out" invisible specks of precious metals in ordinary rocks are quietly revolutionizing the world's search for gold and silver.

In the past few years two major gold strikes and a silver deposit which reportedly could rival the Comstock lode have been found with space age techniques that enabled man to test the moon's soil without setting foot on it.

Government agencies and mining interests in the United States, the Soviet Union, Africa and Australia are systematically surveying broad areas for precious metals with these new tools.

The Russian effort reportedly is far greater than this country's, with a 10-year head start.

Latest available reports indicate the Soviets are making more than seven million samplings a year compared with about 150,000 in the United States in 1967.

Test Radiation

The electronic soil testers detect the presence of various kinds of metal by measuring the distinctive emissions each gives off when the rock is subjected to heat and other radiation.

Mobile laboratories—converted trailers—take the equipment to prospecting sites and make analyses on the spot.

A miniaturized soil-testing device using somewhat similar "radiation signature" techniques was carried to the moon by Surveyor spacecraft and determined the lunar surface was largely basaltic like that of the earth.

The gold "sniffers" are so precise they can find particles only a few microns in diameter, scattered as widely as four parts of gold per billion parts of rock. A micron is forty-millionths of an inch.

Finds In Nevada

With today's giant trucks and power shovels, gold can be recovered profitably in open pit mines where the yield is as low as \$2 a ton.

U.S. Geological Survey reports indicate two recent strikes in Nevada are averaging a third of an ounce of gold per ton. That seems a small amount, but at \$35 an ounce the gold yield is well within the profit-making range.

Operators estimate one of the deposits, near Carlin, Nev., may contain more than \$100 million in gold. If true, this alone would

be twice the current annual U.S. production. The United States consumes \$350 million worth a year for jewelry and industrial uses, leaving a \$300 million deficit to be imported.

Rival Comstock

The California Division of Mines reports two new silver strikes near Barstow, each estimated to contain 25 million to 50 million tons of ore bearing one to four ounces of silver per ton. If the higher estimates turn out to be right, this would amount to 400 million ounces, compared with 250 million ounces extracted from the old Comstock lode near Virginia City, Nev.

With silver bringing about \$2 an ounce, the lower estimate of only an ounce per ton would at least pay expenses with modern techniques.

The new finds are not in the

Fireman Saves Student's Life

ANN ARBOR (AP) — Two Ypsilanti firemen were giving a demonstration of mouth to mouth resuscitation here to handicapped students at Rackham School in Ann Arbor. A nurse asked one of the firemen, Bill Strubank, to step into the hall, where he found a boy who wasn't breathing. After telling the nurse to call for the resuscitator, Strubank began three minutes of mouth to mouth resuscitation. By the time the resuscitator arrived, the boy was breathing again and was reported okay.

quartz veins of legend but are throughout large masses of rock, particularly siltstone and sandstone, which exist in vast quantities in Western desert and mountain regions.

Academy Choir To Sing Here

The 60-voice Cedar Lake Academy Choir under the direction of W.R. Wheeler will present three concerts Friday and Saturday at the 7th Day Adventist Church in Escanaba.

Cedar Lake Academy is a high school operated by the Church near Alma.

Pastor L.A. Pomeroy said the choir will sing a concert of sacred music at 7:30 p.m. Friday. Saturday, the choir will sing at the 11 a.m. service and then present another concert of sacred music at 3 p.m.

A concert of secular music is scheduled for 7:30 p.m. Saturday.

The public is invited. There is no admission.

N. G. Wagner Taken By Death

Nicholas G. Wagner, 67, of 1109 2nd Ave. S. died at 10:40 a.m. Wednesday at St. Francis Hospital. He was born Feb. 22, 1901 in Escanaba and was married to the former Permlia Villeneuve on Nov. 9, 1928.

Mr. Wagner was employed as an engineer for the Chicago and North Western Railway, retiring two years ago. He was a member of St. Joseph's Church, the Holy Name Society and the Brotherhood of Locomotive Engineers, Division 116.

He is survived by his widow; two daughters, Mrs. Anthony (Pat) Schomin and Mrs. Harold (Susan) Olson of Escanaba; two sons, Richard and Michael Wagner of Escanaba; three sisters, Miss Mary Wagner and Mrs. John Roman of Escanaba and Mrs. Walter Maves of Flint, and nine grandchildren.

Friends may call at the Boyce Funeral Home from 3:30 to 9:30 p.m. Friday and parish prayers will be recited at 8 p.m. Funeral services will be conducted at 9 a.m. Saturday at St. Joseph's Church and burial will be in Holy Cross Cemetery.

Most Rev. Charles A. Salatka

Bishop Salatka To Be Installed

MARQUETTE — Installation of the Ninth Bishop of the Roman Catholic Diocese of Marquette takes place Monday at 3:30 p.m. in St. Peter's Cathedral.

The ceremony will be performed by Archbishop John F. Dearden of Detroit, president of the National Conference of Catholic Bishops as well as metropolitan of the Province of Michigan.

The Most Rev. Charles A. Salatka, D.D., will receive the traditional kiss of peace as a welcome from his predecessor, the retiring Bishop Thomas L. Noa, after Archbishop Dearden has received a crucifix from the Archbishop, Msgr. David P. Spelgatti of Ishpeming, and Msgr. Joseph J. Dunleavy, notary, has read the Apostolic letter of appointment.

To Make Presentations

Archbishop Dearden will present the crozier and miter, the staff and tall headpiece which are symbols of a bishop's authority, to Bishop Salatka, and enthrone him. The priests of the diocese then pledge their obedience.

Music for the procession, installation and the con-celebrated Mass, will follow the modern liturgy as well as tradition, and

will feature brass instruments from Northern Michigan University, Cathedral organist Mrs. Clare Clement, and the combined choirs of Marquette parishes, K. I. Sawyer AFB chapel, and St. John's Provincial Seminary of Plymouth, Mich.

Con-celebrating the Mass with the new Bishop will be the Diocesan Consultors, Monsignors Nolan McKeivitt, P. A., of Marquette, Martin Melican of Escanaba, Bernard Karol of St. Ignace, and Matt LaViolette of Gladstone; and the officers of the Priests' Senate, Fathers Clifford Nadeau of Lake Linden, Lawrence Gauthier of Escanaba, William Richards of Ewen and Leno Zadra of Escanaba, and, representing Order priests serving the diocese, Fr. Paul Prud'homme, S. J., of Sault Ste. Marie, and Fr. Gerald Held, O.F.M., of Calumet.

Bishop Salatka will deliver the homily.

Reception Planned

A reception is planned at St. Michael's parish multi-purpose room, 5:30-6:30 p.m., to precede the installation banquet at NMU's University Center.

Toastmaster for the banquet is Fr. Charles Carmody of Chicago, on leave from the Diocese of Marquette to teach at Loyola university.

The speakers will include: Archbishop John F. Dearden, as installing prelate; Bishop Alan J. Babcock, Bishop Salatka's superior in Grand Rapids; Bishop Noa; Jean Worth of Escanaba, for the laity of the diocese; Fr. Nadeau, as president of the Priests' Senate; and a response from the new bishop.

Sixteen Bishops from the northern midwest are expected to attend, along with hundreds of clergy and laity. A charter flight from Grand Rapids is slated to arrive Monday noon.

Hospital

Mrs. Eugene (Vioia) Plouff of Flat Rock is a medical patient at St. Francis Hospital, room 105.

Illness Claims Dr. A. Kinmond

Dr. Alexander H. Kinmond, 94, of 1301 Michigan Ave., Gladstone, died at St. Francis Hospital at 8:50 a.m. today. He had been a patient for the past three weeks.

Dr. Kinmond was born Dec. 15, 1873, in Scranton Pa., and came to Gladstone in 1907 where he practiced dentistry. He retired in 1949.

Survivors include his wife, the former Mary B. Marion; one daughter, Mrs. Richard (Margaret) Balog of Manistique, and two grandchildren.

Friends may call at the Skradski Funeral Home, Gladstone, after 3 p.m. Friday. Funeral services will be held at 11 a.m. Saturday at the funeral home with Rev. Ben Helmer officiating. Burial will be in Fernwood Cemetery.

John F. Maki Dies In Hospital

John Fredrick Maki, 85, of Mounted Rte., Gladstone (Kipling), died at 8:10 a.m. today at St. Francis Hospital where he had been a patient for three weeks.

Mr. Maki was born Aug. 9, 1882, in Finland. He was a retired mason. He had resided in Chatham and Delta County most of his life.

Survivors include his wife, the former Hilda Maki; three sons, Lawrence, Edward and Eric, all of Albany, N.Y.; two stepsons, Elno, of Kipling, and George, of Marinette; two stepdaughters, Mrs. Walter (Lillian) Anderson of Gladstone and Mrs. Donald (Violet) Seppanen of Marquette, 19 grandchildren and 22 great grandchildren.

The body was taken to the Skradski Funeral Home, Gladstone.

Jurors Selected For Circuit Court Report April 4

Delta County residents selected for jury duty in the April term of Circuit Court were announced today by County Clerk William E. Butler.

Court opens Monday, April 1, in the Delta County building with Judge Bernard H. Davidson presiding. The jury will report at 9:30 a.m. Thursday, April 4.

Selected were:

Escanaba — Dale Sviland, John D. Baum, Gunnar E. Nelson, Lois Wolff, Franklin Steede, Lester Ness Jr., Jean Hengesh, Peter Koster Jr., James A. Hirn, Patricia Dugener, Bernice A. Nelson, Donald Mousseau, Donald J. Cousineau and Donald Norby;

Gladstone — Clarence Goodman, Elice B. Nolan, Thomas Davis, John O. Syverson, Astrid Farrell, Robert Nicholas, Hagle Quarunstrom, Edward Murphy;

Townships — Kenneth Sharkey, Baldwin; William F. Zick, Bark River; Robert G. Olson, Bay de Noc; Mary Brannstrom, Brampton; Julia Trenary, Corneli; Earl Groleau, Ensign; Hazel Cartwright, Escanaba; Martin Thill, Fairbanks; David Briggs, Ford River; Paul Guertin, Garden; Louise Verbrigghe, Maple Ridge; Wayne D. Young, Masonville; Roger Tobin, Nahma, and Priscilla Dufour, Wells.

Briefly Told

Barbershop singers meet tonight at 8:01 at the Eagles Club for regular rehearsal.

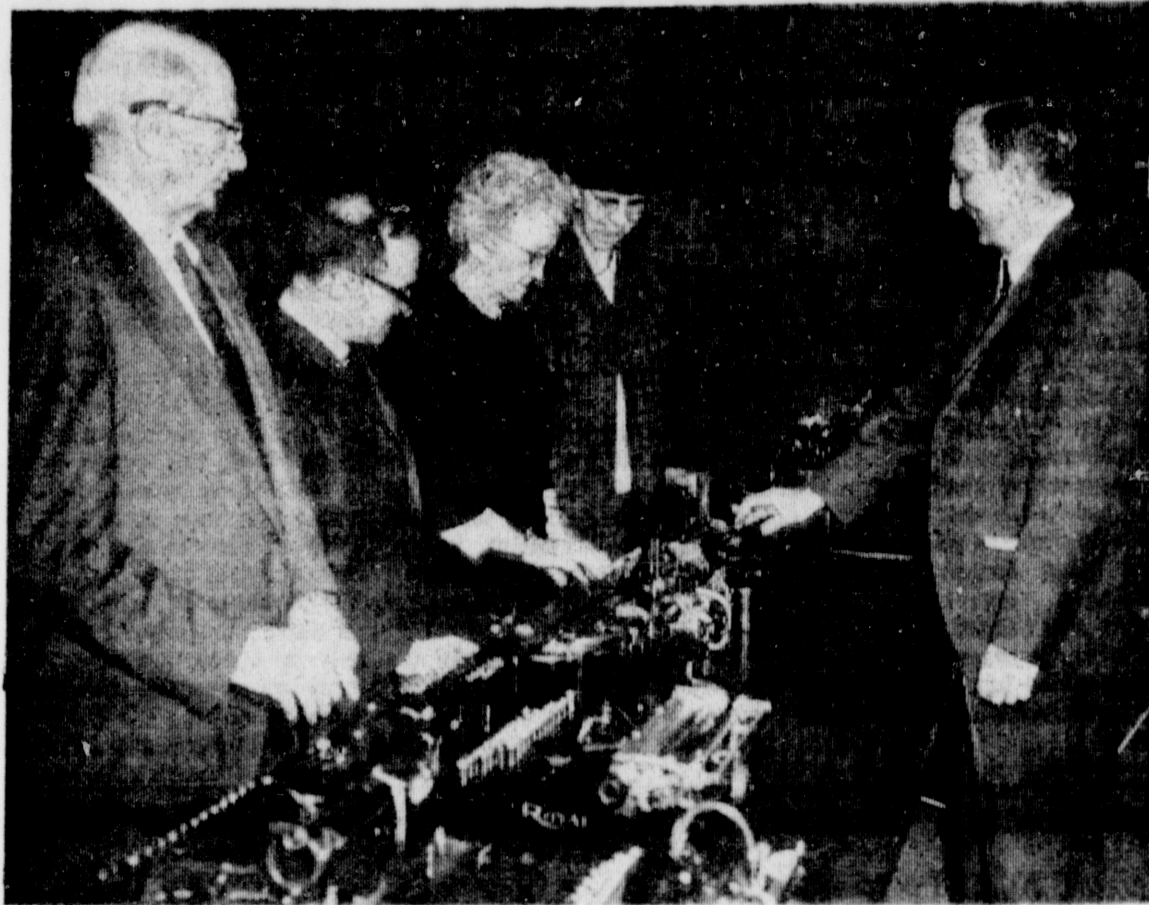

Elk's Stag Nite will be held this evening with porterhouse steaks being served from 6 to 9 p.m.

The Elks Duplicate Bridge League will play at 7:30 p.m. Saturday at the Sherman Hotel. Any interested bridge players are welcome.

The Hyde Kings and Queens 4-H Club will meet at 7:30 p.m. today at the Ford River Township Hall. Girls with knitting and clothing projects will rehearse for the Achievement Day program March 27. Final rehearsals for the talent show are also scheduled.

A regular immunization clinic will be held from 2 to 4 p.m. Friday at the Delta County Building. The Delta Menominee Health Department, in stressing poison prevention, is presenting a film, "Poison in the House," in connection with the regular clinic on Friday. The 10 minute film, using puppets points out the hazards of poisons in the home. The film will be shown at 1:45 and 2:45 p.m.

Prantosh Nag, assistant professor of economics at Bay de Noc Community College, will present a paper on the nature of adjustments taking place in the dairy industry in Delta County at the annual Michigan Economic Association conference at Grand Valley State College, Grand Rapids. The paper reports findings from a survey of dairy farms in Delta County taken in cooperation with Joseph Heirman, county extension agent.

AN INTERESTING STORY of the development of typewriters through the years was presented to the Delta County Historical Society Wednesday evening by John Slapp (right) of the Area Public High School. Viewing Slapp's collection of old machines were (from left) John Wicklander, Robert Mosenfelder, Mrs. J. E. Turner and Eva Flemstrom. (Daily Press Photo)

First Typewriters Were To Aid Blind

The first typewriters, on which experiments were being conducted back in 1784 in England, were designed to emboss printed characters as an aid for the blind to read — a fact that is only a part of the fascinating story of the development of the modern typewriter, the Historical Society was told at its meeting Wednesday night.

John Slapp of the commercial department of the Escanaba Area High School was the speaker, and his presentation included a display of early day typewriting machines from his personal collection.

The speaker was introduced by Charles Follo, program chairman of the Delta County Historical Society, and the meeting was conducted by Mrs. Clint Dunathan, the Society vice president.

Many Failures

Reports on Historical Society activities were presented by Mrs. Luther Barrett, Mrs. Robert Mosenfelder, and Follo. Girl Scouts are being trained to serve as Historical Museum aides, said Mrs. Mosenfelder. Follo announced that a joint picnic program meeting with the Menominee County Historical Society is scheduled for Sunday, July 22, at Wells State Park.

Slopp, a native of Escanaba and a graduate of Escanaba High School, said that after he became a teacher of commercial subjects his interest in the history of the typewriter was

aroused when some of his students complained about the present day machines.

His researches were accompanied by the collection of writing machines representing the various periods of development. The machines are displayed annually for the benefit of the students at the Area High School.

Slapp in sharing information about his hobby, reported that the typewriter is "the product of many minds" and that Henry Mill of England in 1714 is credited with the first writing machine. Embossing of printed characters to assist the blind to read marked early efforts at development, and at the World's Fair in London in 1851 such a machine won a gold medal. It was the product of Pierre Fouchault of Paris, who was a blind teacher in the Paris Institute for the Blind.

Success In 1868

Many of the machines developed in this country and designed to be used "in the transaction of everyday business" proved both too elaborate and too slow for practical use, Slapp reported.

Writing machines took many forms and many shapes and sizes as many men continued to experiment with them — and some were as large as an upright piano!

Then in June of 1868 the first practical machine was patented. It was crude in every way — but it wrote rapidly and accurately, Slapp reported. The machine was the result of development in a Milwaukee shop by three middle-aged men — Carlos Glidden, Samuel Soule and Christopher Sholes — of a machine that had been originally designed to serially number pages. Matthias Schwalbach, a skilled mechanic, contributed his skill.

Another contributor to the success of the 1868 typewriter was James Densmore, who recommended many improvements to the machines that finally became established as an invaluable mechanical servant in business offices and homes around the world.

Pfc Michael F. Grenier, who is stationed with the 9th Engineer Battalion in Aschaffenburg, Germany, has recently been promoted to Pfc. He is the son of Mr. and Mrs. Francis X. Grenier of 2101 8th Ave. S.

Joseph Provo Dies Wednesday

Joseph Provo, 81, of 930 Stephenson Ave. died at his home at 10:30 p.m. Wednesday. He had been in ill health for two months.

He was born June 26, 1886 in Windsor, Ontario, Canada and came to St. Ford River when he was seven years old. He has lived in Escanaba since the age of 21, making his home with his sister, Mrs. Eva Kositzky of Escanaba.

He was a member of St. Thomas Church and was employed at the I. Stephenson Co. of Wells for many years, retiring 18 years ago.

He is survived by his sister; two brothers, Don and Ovid of Escanaba and many nieces and nephews.

Friends may call at the Ailo Funeral Home from 3 to 9:30 p.m. Friday and the Rosary will be recited at 8:30 p.m. Friday. Funeral services will be conducted at 9 a.m. Saturday at St. Thomas Church with Rev. Arnold Thompson officiating. Burial will be in Holy Cross Cemetery.

Survival Course To Be Offered

A 12-hour adult education course in personal and family survival will be offered in room 204 of Bay de Noc Community College beginning at 8 p.m. Tuesday, March 26.

The course will run over a four-week period and will deal with governmental duty in time of disaster, what social welfare agencies will do, fallout shelters, warning systems, decontamination from radiation and methods of water purification.

Fred Gravelle Jr., certified Civil Defense instructor, will conduct the course. Anyone may enroll by calling 786-7841 or by attending the first class meeting. The course is free.

Schaffer

Birthday Party

Relatives met at the Maurice Gauthier home on St. Patrick's Day for a party in honor of Patrick Gauthier, who celebrated his first birthday. Guests attending included his grandparents, Mr. and Mrs. Eli Taylor, and Mr. and Mrs. Paul Gauthier; Mr. and Mrs. Melvin Racicot and children, Raymond Gauthier, Leone Turran, Mr. and Mrs. James Legault and children and Al Kirch.

Obituary

Mrs. Minnie Price

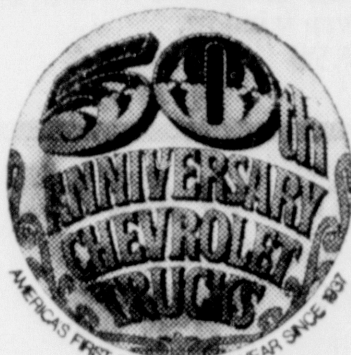

Complete funeral services for Mrs. Minnie Price were held at 2 p.m. Thursday at the Anderson Funeral Home with Rev. Roger Patrow officiating. Burial was in Lakeview Cemetery.

Pictured Rocks Funding Urged

Senator Philip A. Hart today urged that funds for Pictured Rocks, the anadromous fish program and the forest engineering research laboratory be retained in the 1969 fiscal budget, or, he warned, Michigan would suffer serious economic loss.

Hart testified before the Senate Appropriations Subcommittee on Interior & Related Agencies, hoping to avert any possible reduction in funding.

"The budget allocates \$2,724,550 for Pictured Rocks National Lakeshore," Hart said. "The Park Service has been authorized to acquire the land. My concern is that they get at least this amount this year."

"The amount to be spent for land acquisition is \$2,597,200. If they can't buy the land this year, the cost next year will be higher—and that certainly isn't in the best interests of the taxpayer."

Hart also restated the need for the anadromous fish program in Michigan.

"Happily, the budget included a \$4,650,000 anadromous fish program appropriation. Under it, Michigan can continue its effective Great Lakes coho salmon-planting program."

"The coho program has brought an economic renaissance to many Northern Michigan counties. It is also the single most important hope for bringing the nuisance alewife under control."

Hart also expressed concern that the \$24,000 increase for the Forest Service Engineering Laboratory at Houghton be maintained.

Germfask

Head Start Meeting

Parents of Head Start children met Tuesday evening at the Germfask Elementary School for a parents advisory committee meeting conducted by Jimmie Bruce of Escanaba. The next meeting will be held April 29 at the school at 6:30 p.m. (CST).

John Lustila of Germfask and his sister, Mrs. Effie Nelson of Seney were accompanied by Mrs. L. McDonald of Grand Marais to Waukegan, Ill., where they visited relatives. Lustila and Mrs. Nelson went on to Downers Grove, Ill., where they visited with cousins from Helsinki, Finland, who are visiting there.

Mr. and Mrs. Roy Mortinson and family of Chicago, Ill., visited here with their parents, Mr. and Mrs. Axel Mortinson.

Lynne Latsch, Bernard Conlon, Tony and Penney Handrich of Escanaba visited relatives here over the weekend.

Mrs. Archie DeSautel of Manistique visited relatives here Sunday.

Mr. and Mrs. Andrew Swisher moved to Gladstone Sunday. Mr. and Mrs. Emmett Craven traveled to Gladstone Sunday evening and visited relatives.

A bobcat which was seen stealing suet from a bird feeder hung in a tree a few feet from the kitchen window at the home of Mr. and Mrs. Hubert Latsch was killed by George Swisher Thursday.

Attend Workshop

The Head Start workshop meeting which was held at the Lakeside School at Manistique was attended by Mrs. Jean Lustila, Mrs. Alice Fitzpatrick and Mrs. Linda Tate, and Mrs. Mary Kelley of the Community Action Agency.

The city of Venice, Italy, actually is built on an archipelago of islands and mud flats in the Adriatic Sea.

M/SGT. FRANCIS H. CASEY, son of Mrs. Ruby Cashion, 1522 Sheridan Rd., Escanaba, receives the U.S. Air Force Commendation Medal at Hickam AFB, Hawaii, from Col. Harold F. Layhee, commander of the 648th Air Base Wing. Casey was decorated for meritorious service as a printing superintendent at Tokyo, Japan. A graduate of Escanaba High School, Casey is now stationed at Hickam. He is a veteran of World War II and of the Korean War and is married to the former Nori T. Omukai (Air Force Photo)

Cary Grant Used LSD, Says Wife

LOS ANGELES (AP) — The pretty blonde wife of actor Cary Grant says he took weekly "trips" on LSD for the past 10 years and tried to persuade her to try the drug.

Dyan Cannon, 30, seeking a divorce from the 64-year-old actor, testified Wednesday that he beat her and had frequent "yelling and screaming fits."

The actress returns to court today continuing her effort to prove that Grant is an unfit father for their 2-year-old daughter, Jennifer. She is challenging his right to visit his only child.

Miss Cannon, who said she married Grant after knowing him more than five years, said he told her he had used the hallucinatory drug LSD for 10 years. During the six years she knew him, she said, "on those occasions when he took LSD, I was with him."

During his "trips" she said a doctor was present only once. Twice before their marriage, Miss Cannon said she took the drug too but never after they married.

"He once told me I was on the verge of a nervous breakdown," she said, "and he hoped I would have it so the new me would be a wonderful me."

"He wanted the new me to be created through the use of LSD."

The marriage was the first for Miss Cannon, a native of Seattle, Wash. She had appeared in several films and television shows before she became Grant's fourth wife in a secret ceremony at Las Vegas, Nev., July 22, 1965. Their daughter was born Feb. 22, 1966, and the couple separated Dec. 28, 1966. She filed suit for divorce last August.

Grant was in St. John's Hospital, New York City, recovering from two fractured ribs and face cuts suffered March 12 in a car-truck crash. He was under doctor's orders not to have visitors or a radio in his room and was expected to remain in the hospital until this weekend.

In 1960 a psychotherapist, Dr. Mortimer Hartman, told newsmen that Grant had helped in tests involving lysergic acid diethylamide, or LSD.

Grant's attorneys introduced testimony from two psychiatrists who examined him last fall. One, Dr. Stanley L. Pomer, said he found no evidence of er-

ratic behavior in the actor. The other, Dr. Judd Marmor, said he thought Grant was "an emotional individual, but I have often seen that in actors." He said he found no evidence of damage from LSD.

Miss Cannon is asking that Grant be prohibited from keeping their daughter Jennifer overnight unless a nurse is present because "he is an unstable person."

Miss Cannon, who has asked for \$5,740 monthly support, said she wants to hire a chauffeur to live with her and the child because "Jennifer is a highly publicized baby and I worry for her safety. . . I'd like to have a male on the premises."

Among her expenses she listed two sessions per week with a psychiatrist at \$60 per hour. One of Grant's attorneys asked whether Miss Cannon is bothered "by any particular problem."

"Yes," she replied, "a broken heart."

Curtis

Quilters Club

Mrs. Alice Morrison was hostess to the Curtis Quilters Club at a meeting held at her home, Tuesday.

Ladies Aid

The Curtis Community Ladies Aid held a regular business meeting Tuesday at the home of Mrs. Parker Arthur. A desert luncheon served by Mrs. Arthur and Mrs. John Heck. Twelve members attended.

The Portage Township Board met Tuesday evening at the office at the Fire Hall at Curtis.

Hospital

Edgar Smith is a patient at St. Luke's Hospital at Marquette.

Mr. and Mrs. Glen Wonseller of Midland, Mich., spent a few days at their cabin here.

Mrs. Delmer Humphrey, Sr. made a business trip to St. Ignace, Friday.

Donald Lavery took a first place in a cross country race and first in an oval race at the snow-machine event held at Newberry Sunday.

Mrs. Agnes Hartwick accompanied her daughter and husband, Mr. and Mrs. Charles Closs of St. Ignace to Glendale Heights, Ill., where they will visit with relatives for a few days.

Mr. and Mrs. C. Skidmore are moving into their new home purchased from Mr. and Mrs. Don McNeil.

Mrs. Irma Hanson returned to her home at Cedar Lake after a visit at the home of her brother and wife, Mr. and Mrs. Ted Lowery for a few days.

Mr. and Mrs. Don McGahan and baby of Lansing visited her niece and husband, Mr. and Mrs. Jack Hartwick and family.

Mrs. Howard Seton of Falls Church, Va., visited Mr. and Mrs. Bert Feneley, who are patients at the Helen Newberry Joy Annex.

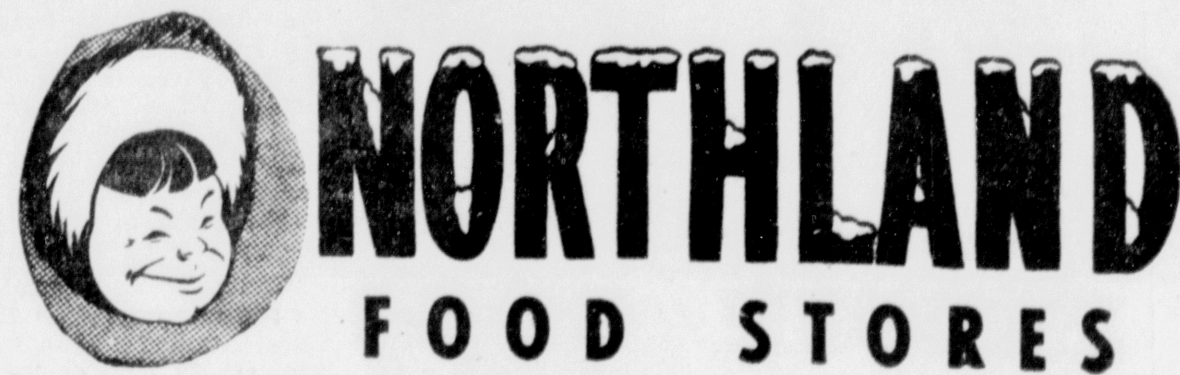

John Miller and Robert Sherbrook returned Sunday from a visit with relatives at Midland and Detroit.

Mrs. Florence Cole of Belding has been visiting at the home of her parents, Mr. and Mrs. Ted Lowery.

Headstart Grant

WASHINGTON (AP) — The Office of Economic Opportunity has awarded a grant of some \$165,000 under its Summer Headstart program to the Jackson-Hills Committee on Economic Opportunity in Jackson. The grant will aid 480 preschoolers.

Eaton Proposes Stock Increase

Eaton Yale & Towne Inc. will ask approval of shareholders to double its authorized common shares and create a new class of serial preferred shares.

The proxy statement for the annual meeting April 17 includes the following proposals:

An increase in the authorized number of common shares with a par value of 50 cents each, from present 20,000,000 to 40,000,000;

Authorization of a new class of 5,000,000 no par value serial preferred shares; and

Elimination of preemptive rights of holders of common shares.

The proxy statement also proposes the names of two new members for election to the board of directors: Walter A. Marting, president of the Hanna Mining Company of Cleveland, and Varnon B. King, president of Truck Engineering Ltd. of Woodstock, Ontario.

They will succeed Charles E. Hamilton and Eric W. Passmore who are retiring from the board. Both have been directors of Eaton Yale & Towne for many years.

First railroad train to cross the Mississippi did so at Rock Island, Ill., and Davenport, Iowa, April 21, 1856.

Howard U. Shut In Student Coup

WASHINGTON (AP) — Singing and chanting students nearly 1,000 strong have taken over and shut down Howard University in a nonviolent coup, with a spokesman vowing: "We're here for the duration."

The students jammed all four floors of the predominantly Negro university's administration building overnight while others milled outside.

They sang, danced, joined in hand-clap punctuated chants, made speeches and joked in what looked more like a festival than an insurrection.

But the siege took on a more militant tone in a statement issued just after midnight today by students manning the university switchboard.

"There's no telling what might happen whenever the administration gets tired," said Robert Malson, 24. "If they come to recapture the building we can expect some of us will get hurt. But we hope it won't happen."

"When they come we're just going to stay here," said Malson, an economics major.

Foresters Bracing For Busy Recreation Season

"Use of the Hiawatha National Forest recreation facilities was heavy in the 1967 season, and we expect our campsites to be filled again this year," says Forest Supervisor Al Trout.

"We are finding it impossible to meet even current demands, much less those expected in the future. Requests for camping information are already being received for the coming summer season. People from all over the nation camp in the U.P., their reasons range from getting away from the heat of the South to avoiding the bustling city for the weekend."

"The Hiawatha National Forest recreation map lists 21 developed camping units with a total of 599 individual campsites. On the forest, the outdoors offers the beauty and relaxation of moderate summer weather; where the camper can relax and enjoy nature. He can fish, swim, hike, and appreciate the quite of the woods. He can show his children the forest and develop in them an appreciation for the wise use of our natural resources."

"Individual camping is not the only type camping available in this area," Trout said. "The Hiawatha Forest also has an organization camp available for camping by organized groups such as churches, bands, and civic groups. The camp has a capacity for 80 campers in cabins and provides a laundry, mess hall, infirmary, administration building; dock, and diving float."

"This camp is located on Clear Lake 15 miles southeast of Munising. Its operation is handled, under a special use permit by the Chippewa Council of Campfire Girls, Sault Ste. Marie, Mich. 49783. The camp is operated for profit. The nominal fee charged provides the income necessary to perform the continuing maintenance and operations cost."

Information on individual or family camping, including a recreation map of the forest, can be obtained by writing to the Forest Supervisor, Box 316, Escanaba, Mich.

Mecca, Medina, Fez and Alahabad are sacred cities to Moslems.

Church Events

Lenten Services at Trinity Episcopal Church will be held at 7:30 p.m. today followed by the showing of the film, "Almost Neighbors." Coffee will be served at the close of the discussion session on Civil Rights and anyone interested in attending is welcome.

St. Thomas HS Meeting Held

St. Thomas Home and School Association held their regular meeting Tuesday at 8 p.m. with Vice President, Mrs. Pat Coyne, presiding.

Peter Breclaw and Leo Alperovitz spoke on the upcoming college millage election. It was decided that money from the treasury will be used to help finance a newly purchased 16 mm projector.

Mrs. Frank Sheffer will head the nominating committee to select a slate of new officers and plans for the eighth grade graduation were discussed.

A father-son basketball game will be held today in the St. Joseph gym and proceeds will be used to purchase new uniforms.

Room count was won by Sister Ann Ramana's first grade. The Mesdames Phil LaMarche and John Schiska were in charge of the lunch.

People

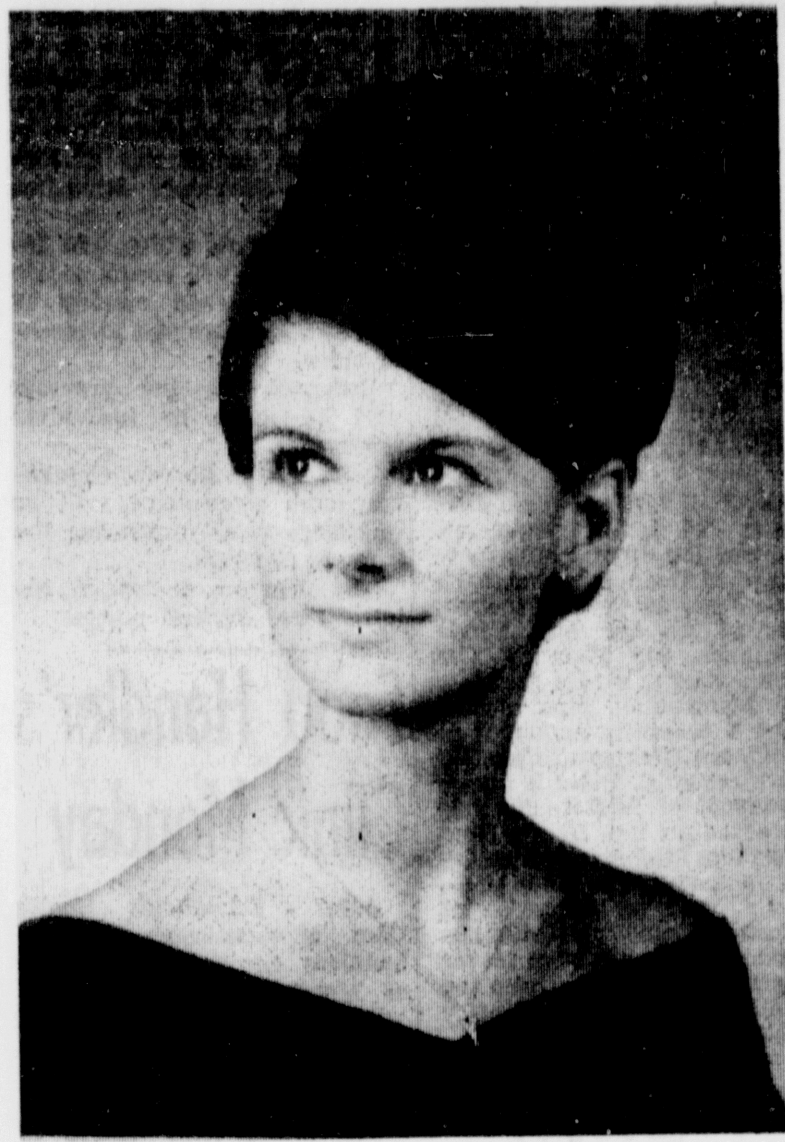

Friends and relatives attending funeral services for August E. Brazeau included: Mrs. August E. Brazeau of Limestone, Mich., Mr. and Mrs. Thomas Beaumier, Schaumburg, Ill., Mrs. Fred McKinnon and family, Flint, Mr. and Mrs. Stanley Badenski and family, Sault Ste. Marie, Mich., Mr. and Mrs. Carl Crittenden and family of Gaines, Mich., Mr. and Mrs. Lester Gallagher, Marlette, Mich., Mrs. Peter Kutches and Colleen, Muskegon.

Marie.

Sam Yandian of Tulsa, Okla., visited last week at the home of Mr. and Mrs. Fred Lancour and family of Ford River Road. The men had served together during WW II and it had been 23 years since they had seen each other.

Next time you braise shoulder lamb chops, add some strips of carrot and onion to the braising liquid. Good flavor!

Women's Activities

AN ENTRANT IN THE 1968 Miss Delta County Pageant to be held Saturday, March 23 at the William Oliver Auditorium, is Miss Suzanne Marie Gannon, daughter of Mr. and Mrs. John Gannon, 2651 Lake Shore Drive. Miss Gannon is a 1966 graduate of Holy Name High School and attended Northern Michigan University and Bay de Noc Community College. She is 5' 2" tall, has brown hair and dark brown eyes. (Delta Studio)

Students Return From World Campus Afloat

Eight Michigan college students including Gail Fawcett of Escanaba, have returned to the United States after spending the fall semester aboard World Campus Afloat—Chapman College.

Along with 500 other college students they visited Lisbon, Cadiz, Casablanca, Hong Kong, Dakar, Cape Town, Durban, Mombasa, Bombay, Kuala Lumpur, Bangkok, Taipei, Kobe, Yokohama, and Honolulu before returning to Los Angeles.

Home and campus for the students is the S. S. Ryndam, a 15,000 gross-ton ocean liner which has been converted for the college program and is equipped with classrooms, library, science laboratories, art studio, theater and student union.

While at sea students attend six classes a week. In port the academic program continues with course-related field trips, lectures, seminars and visits to universities, art galleries, museums and other institutions.

Lyceum Program At Trenary

On Friday, March 22, the last lyceum program of the year will be held in the school gymnasium at 1:30 p.m. This program will feature, "John Conrad", who will depict the life story of "Louis Braille", the blind French boy who at the age of 18 perfected what is commonly known as the Braille System for the blind.

Conrad utilized material from reading sources to build his own play, constructed the marionette figures and the stage and provides his own animation and voice background for his marionettes. The public is invited to attend.

Events

Square Dance

The Promenaders Square Dance Club is sponsoring a dance for members and guests Saturday at the Teamster's Hall beginning at 8:30 p.m. Bert Reitz of Milwaukee will be the caller.

Wells

Attend Celebration

A capacity crowd attended the silver anniversary celebration of Rev. Ralph Sterbentz held at St. Bruno's Parish Hall in Nadeau on Tuesday, March 19. Rev. Sterbentz was a former priest at St. Anthony's in Wells.

Attending were Rev. Norbert Frieburger, Mr. and Mrs. James Anderson, Mr. and Mrs. Walter Casey, Mr. and Mrs. Jack Wigand, Mrs. Gary Peterson, Mrs. Louis Dufour, Mrs. Gilbert Pilon, Mrs. William Casey, Mrs. James Casey, Mrs. Joe Berube, Mrs. Emil Derouin and Jill Derouin.

Jerry Harris, Steve Kell, Gary Thinglum and Bob Casey drove to Chicago over the weekend to visit Jerry's brother and sister-in-law, Mr. and Mrs. Jack Harris. They also visited in Fond du Lac with friends.

Mr. and Mrs. Duane Schimmel spent a few days with Mr. and Mrs. Clarence Wright.

Cancer Control

LANSING (AP)—Acting Gov. William Milliken has proclaimed April as cancer control month in Michigan. Milliken urged all citizens to support the research and education efforts of the American Cancer Society.

When you are French-frying potatoes, use a wire basket and cook only one layer of potatoes at a time.

MISS MICHELE ANN COCHRANE, daughter of Mr. and Mrs. Phillip W. Cochrane of 611 N. 23rd St. is one of the 10 contestants in the Miss Delta County Pageant this year. She is a senior at Escanaba Area High School, 5' 5" tall, has blonde hair and blue eyes. Tickets for the pageant to be held Saturday are available at Gust Asp's, Anderson Bloom and the West End Drug Store in Escanaba and in Gladstone at the Dehlin Drug Store. (Delta Studio)

Carol Kelley Bride Of Lawrence Bergquist

Miss Carol Lynn Kelley of satin street length dress and Honolulu, Hawaii became the bride of Lawrence H. Bergquist during a double ring ceremony performed Saturday, Feb. 10 at Our Redeemer Lutheran Church in Honolulu.

Officiating at the nuptials at 5 o'clock in the afternoon was the Rev. Pfutenhauer. The bride is the daughter of Mrs. Alvin R. Kelley, of Honolulu, formerly of Oshkosh, Wis., and the late Mr. Kelley. Parents of the bridegroom are Mr. and Mrs. Edwin E. Bergquist of 1109 S. 16th St.

Honor attendants for the couple were Lass Kamaka and Roy Birch.

Lace And Satin The bride wore for her wedding a white lace and satin street length dress and her short veil was secured by a pearl crown. She carried a bouquet of lavender and white Hawaiian orchids.

Miss Kamaka wore a pink

Jefferson PTA Meets Monday

The Jefferson School PTA will meet Monday at the school. Room visitation will be at 7:30 p.m., followed by a business meeting.

A musical program under the direction of Conrad K. Reiter of the Escanaba Area High School will be presented. Lunch will be served by the first grade mothers.

Dice cooked sweetbreads and mix with a rich creamy sauce. Serve in toast cups or patty shells.

Another day, another problem. Today's problem—that wiry type; a walter of curls that resist brush and comb and kinks at the first sign of dampness. This is one problem you have to learn to live with.

Of course, there are some things you can do; such as, brush the hair daily and massage the scalp to increase circulation and distribute natural oils so as to ease dryness. Shampoos of the lanolin-enriched and egg formula types are good. Follow with a creme rinse to check the curls and reduce static electricity, and things will be looking up instead of down.

Things will look up even further... "way up"... if you arrange for an appointment for a style designed to bring out the final touch of beauty and allure from your hair. Make a date with new beauty soon. HURLEY'S HAIR FASHIONS... 111 No. 9th, Phone 786-0663.

Tip Of The Week: There are two good types of brushes for wiry hair; the long bristle variety or one with graduated bristles. HURLEY'S HAIR FASHIONS 111 N. 9th Phone ST 6-0663

MSU Players Coming

Players de Noc are the local sponsors of the Michigan State University production "The Skin of Our Teeth" by Thornton Wilder, to be presented at 8 p.m. Monday, March 25, in the Area High School auditorium.

Arrangements for the performance are under the direction of a committee headed by Dottie Williams. Other committee members are Judy Adamini, Carol Kivi, Bill Williams, Coralie Publisi, Dick Publisi and Arlene Hendrickson.

Jack Romstad, executive director, said today that tickets may be purchased at Gust Asps or season ticket holders may use the remaining third portion of the Players de Noc ticket. The fourth ticket should be reserved for admission to the musical, "My Fair Lady."

Directing the Michigan State University Performing Arts Company is Frank C. Rutledge, an instructor in the MSU speech department.

Rutledge is a graduate of Ohio State University, and holds a B.A. degree in the Arts and Science-History and a M.A. degree in Speech-Theatre. He is presently working on a Ph.D. at Ohio State.

Rutledge joined the MSU faculty in 1959. He has served as technical director (1959-60), play director (1960-63) and is currently director of theatre production.

His directing career has included more than 30 plays since 1959, including "Medea," "Pirates of Pensance," "St. Joan," "The Taming of the Shrew," and "The Rainmaker."

Recently, Rutledge was selected as a member of the Drama Committee of the newly formed Michigan State Council on the Arts.

Attack Aims At Guerrilla Bases In Arab Kingdom

(Continued From Page One)

bers of the Al Fatah sabotage and terrorist organization—are active in Jordan, with 600 to 800 of them dug in along the river. Israeli forces had pounded their Karameh base with several artillery barrages since last fall.

Ignore King's Warning

King Hussein of Jordan warned Arab guerrillas on Feb. 16 to stop operating from his kingdom, but Al Fatah said it would not heed the king. Hussein spoke out after the last serious Israeli attack, on Feb. 15, when planes and artillery hammered guerrilla bases and Jordanian army positions all along the river.

Israeli authorities believe Hussein took no action against the raiders because he feared any move would set off riots that might topple his shaky throne.

In guerrilla raids that followed the king's warning, nine Israeli civilians and soldiers were killed and at least 50 others were wounded. Tension reached a high point Monday after a Tel Aviv school bus hit a mine in the southern Negev desert, killing two men and wounding 28 schoolchildren.

Dayan Injured

After the bus was mined, Premier Levi Eshkol and Defense Minister Moshe Dayan warned King Hussein again to stop the guerrillas operating from his kingdom.

Dayan, who suffered broken ribs and vertebrae Wednesday when he was buried in a cave-in at an archeological dig, was in constant touch with Army headquarters by a "hot line" from his hospital bed in Tel Aviv.

"He is quite his normal self," an army spokesman said, "and is informed of all developments."

A hospital bulletin said the one-eyed war hero was continuing to improve and his condition was "satisfactory."

Reliable sources had said the main artery of Dayan's heart also was damaged, but there was no confirmation of this from his doctors.

Services For Frank Weissert Held Recently

Funeral services for Frank Weissert, 81, former resident of Ford River, Escanaba and Gladstone were held recently at St. Cletus Church in LaGrange, Ill. Burial was in St. Joseph's Cemetery, LaGrange.

Mr. Weissert died March 13 at his home in LaGrange where he had resided since 1927. He was formerly a blacksmith in Ford River and Gladstone.

Survivors include his widow, the former Rose Ambeau; two sons, Henry and Frank, both of Illinois and two daughters, Leona of Illinois and Irene of California.

Attending the funeral from Escanaba were Mrs. Fred Weissert, Mrs. Harvey Spade, Mr. and Mrs. Elmer Swanson, Mr. and Mrs. Charles Vermullen, Mrs. Mary Lancour, Mrs. Florence Hogan and Mrs. Edna Ambeau.

THORTON WILDER'S "The Skin of Our Teeth" has Sue Burgoyne in the role of Sabina with the Michigan State University's Performing Arts Company production. The play will be presented at 8 p. m. Monday in the Area High School auditorium.

Women Voters To Interview City Candidates

The Escanaba League of Women Voters will interview the nine candidates seeking election to City Council at a public meeting on Monday, March 25 at 8 p.m. in the Chamber of Commerce building in Escanaba.

Mrs. Robert Haack, voters service chairman, announced that invitations have been sent to each of the candidates and a set of three questions they will be asked to answer. All candidates have indicated that they will attend.

A non-partisan organization concerned with the promotion of good government, the League is interested in making information about candidates available to the public. The meeting gives each candidate an opportunity to meet the public and express his or her views on matters of local interest.

The questions to be asked the candidates include:

- Give a brief biography.
- What, in your opinion, is the most important issue facing Escanaba?
- With more leisure time, recreation has become vitally important to the community.

In the light of this, will you comment on the following:

- 1 — A full time recreation director.
- 2 — The need and possible location of a swimming pool.
- 3 — Your concept of recreation for families, the elderly, and youth.

The League has as its local study item recreation. During the past year it has been studying the recreation needs and potential for all age groups in the community.

Written questions from the public will be accepted. WDBC has arranged to broadcast the event as a public service. Mrs. Haack announced that Mrs. Earl Owen will serve as moderator.

Club Sponsor Of Youth Day

Thomas Straebel, area chairman for Michigan Week, spoke to the Escanaba Optimist Club Wednesday noon in the Old Town Restaurant, giving a brief history of Michigan Week observances including plans for this year.

On request of Straebel, the local Optimist members voted to coordinate the functions on Youth Day, the last day of Michigan Week.

Stewart Hill, president of the Optimist Club, was appointed as Youth Day chairman by Straebel.

In other business, the joint Optimist Club-Jaycee sponsored Bicycle Safety Program was discussed. The tentative date for the Bike Road-co is April 27 and it will be held at Ludington Park.

Bikes will be inspected for safety features and youths will perform a series of maneuvers involving driving skill and judgment. The Escanaba police department will assist in the program and there is a possibility that bike licenses will be issued at this time.

Police Chief Richard Fredrickson, however, urges all youths to license their bikes as soon as possible prior to the road-co.

MANISTIQUE

County Joins In Action Efforts

Ray LaPorte, community action representative from Escanaba, addressed the Board of Supervisors at their Tuesday night meeting and asked that they consider organizing a program for Schoolcraft County.

The Board agreed to write a statement of intent to designate a community action agency in conjunction with Delta and Menominee counties.

Since 50,000 population is required for a single community to promote a community action agency, it is necessary that Schoolcraft County join with Delta and Menominee. The three counties have a combined population of 68,000.

Hearing Set

The Board also agreed to allow the Community Action Agency to insert a notice of a public hearing to be held by the Board of Supervisors on April 9 in the Escanaba Press and the Manistique Pioneer-Tribune. The hearing will determine whether the community action agency be established.

Community Action is designed to assist communities with civic improvement; advising them of grants available; assistance in writing grant applications; Sponsoring projects; and programs and administering fund for same.

The Board also heard a request from Dick Marsh, senior citizens service center director, regarding sponsorship and financing for the center.

Marsh said that his center will be ineligible for federal and state assistance in April of 1970 and, ideally, the sponsorship should then come from a joint venture of city and county.

He asked that the Board include an appropriation of \$500 in their 1969 budget for the center.

Since supervisors will be re-organizing on April 9 and should not bind the new Board to any action, Marsh was advised to write a letter to the new chairman outlining his proposal. He was also advised to appear before the Board sometime this summer.

March said that at the end of the third year of operation of the center, he planned to phase himself out of the program and would recommend that the directorship be given to some individual receiving social security benefits.

Chamber Given Aid
Carl Graves, secretary of the local Chamber of Commerce, also appeared before the Board requesting a supplemental appropriation for the local chamber.

The Board granted his request of \$500 which also includes \$250 not paid by the board to the chamber last year.

Graves said that the chamber was operating on the same budget that it used in 1950 but that costs had skyrocketed. He detailed future plans of the Chamber, including relocation of the Chamber office from Triangle Square to the Water Tower, now being used as Justice Court.

The Chamber will renovate the Water Tower interior and develop a picnic area and parking lot to help attract visitors to the area. The Chamber is currently sponsoring a 5-year program to pay for the improvements and attract new membership.

Fred Hahne, chairman of the County planning Commission, recommended that the Board not go through with the comprehensive study being considered.

The plan would have required \$5,000 from the county and \$20,000 from the Economic Development Administration.

Hahne based his recommendation on a new zoning ordinance for the county and a Forestry Survey covering timber resources by the Conservation Dept. He said that the Soil Conservation Dept. will work

with the Planning Committee for future development.

Sheriff Reports

Hahne's recommendation was accepted by the Board. Sheriff Lloyd Gray presented his annual report. He noted that the jail had been inspected and approved by the State. The report noted that Schoolcraft County is one of six counties in Michigan without a car-office radio system.

Gray also advised that his office will be handling all state car registrations and boat registration which will be on micro-film. It is necessary that a micro-film viewer be purchased. Since the city uses his facilities, he suggested that perhaps the city-county could buy a viewer together. He estimated \$380 as the cost of a viewer.

Annual reports were received from the County Road Commission, County Treasurer, Dept. of Social Services, and Schoolcraft Memorial Hospital.

N. W. Jahn Files For School Post

Norman W. Jahn, 519 Cherry St. filed a nominating petition Tuesday for the June 10 school board election.

Death Claims Mrs. W. Brock

MANISTIQUE — Mrs. Wellington (Eliza) Brock, 71, of Star Ste. 1, Hiawatha Township died at 8 p.m. Wednesday at the Schoolcraft Memorial Hospital where she had been a patient for one week.

The former Eliza Brock was born Aug. 21, 1896 in Goldenberg, Ontario and came to the United States as a child. She lived most of her life in Hiawatha Township. She was married to Wellington Brock in Canada in 1916.

She is survived by her husband, Wellington, Manistique; five sons, Raymond of Germfask, Harold, Munising, Ivan, Benton Harbor, Floyd and Elmer of Manistique; two daughters, Mrs. Roland (Selma) Brown of Benton Harbor and Mrs. George (Hazel) Rubick of Gulliver; one brother, George of Thessalon, Ontario; two sisters, Mrs. Viola Latch of Manistique and Mrs. Inez Brown of Benton Harbor; 35 grandchildren and 12 great grandchildren.

Friends may call at the Messier Broulliere Funeral Home after 3:30 p.m. Friday and funeral services will be conducted at 2 p.m. Saturday at the funeral home with Rev. L. A. Pomeroy officiating. Burial will be in Fairview Cemetery.

MR. AND MRS. William Jenner, Rte. 1, Manistique announce the approaching marriage of their daughter, Sandra Jean, to Peter Orhanen, son of Mr. and Mrs. Taisto Orhanen, 219 Main St. The bride-elect is a 1964 graduate of Manistique High School and is presently employed at Northern Michigan University in Marquette. Peter is also a graduate of M.H.S. and has received his B.S. Degree from Northern Michigan University in January, 1968. He is presently working towards his Masters Degree at NMU. The wedding date has been set for April 6 at 4:30 p. m. from the Methodist Church in Manistique.

Death Claims Mrs. W. Brock

MANISTIQUE — Mrs. Wellington (Eliza) Brock, 71, of Star Ste. 1, Hiawatha Township died at 8 p.m. Wednesday at the Schoolcraft Memorial Hospital where she had been a patient for one week.

The former Eliza Brock was born Aug. 21, 1896 in Goldenberg, Ontario and came to the United States as a child. She lived most of her life in Hiawatha Township. She was married to Wellington Brock in Canada in 1916.

She is survived by her husband, Wellington, Manistique; five sons, Raymond of Germfask, Harold, Munising, Ivan, Benton Harbor, Floyd and Elmer of Manistique; two daughters, Mrs. Roland (Selma) Brown of Benton Harbor and Mrs. George (Hazel) Rubick of Gulliver; one brother, George of Thessalon, Ontario; two sisters, Mrs. Viola Latch of Manistique and Mrs. Inez Brown of Benton Harbor; 35 grandchildren and 12 great grandchildren.

Friends may call at the Messier Broulliere Funeral Home after 3:30 p.m. Friday and funeral services will be conducted at 2 p.m. Saturday at the funeral home with Rev. L. A. Pomeroy officiating. Burial will be in Fairview Cemetery.

Hot-lunch menu for Friday at St. Francis school will be: Bean soup, muffins, orange juice, and cookies.

Hot-lunch menu for Friday at Fairview, Central, Doyle, and Hiawatha schools will be: Macaroni and cheese, buttered green beans, celery sticks, and fruit.

The K. of C. will recite the Rosary for Mrs. Golden Brock of Manistique at 6:45 p.m. today at the Kefauver and Jackson Funeral Home. Liturgical prayers will be held at 7 p.m. today. The High Requiem Mass will be held at 10 a.m. Thursday at St. Francis de Sales Church.

Social

Bridge Club

Mrs. Art Fountain Jr. entertained her bridge club Tuesday evening at her home on Manistique Ave.

Bridge awards went to Mrs. Phillip Villemure, Mrs. George Tufnell, and Mrs. Ted Hentschell.

Mrs. Villemure and Mrs. Hentschell were guests.

Bridge Club

Mrs. Eugene Carlson met with her bridge club Monday evening at her home on Range St. Bridge prizes were won by Mrs. Donald Aller and Mrs. Art Fountain, Jr.

Mrs. Fountain and Mrs. George Bouschor were guests.

Church Events

Church Of The Redeemer (Presbyterian)

March 24, the fourth Sunday in Lent, will be observed at the church as Youth Sunday. Members of the senior high Westminster Fellowship will be assisting in the morning worship.

In the evening at 7:30 p.m., members of the Westminster Fellowship and Couples' Club are encouraged to take advantage of the presentation of the Thornton Wilder play, "The Skin of Our Teeth," which is being sponsored in Manistique by the local Rotary Club. The next meeting of the Women's Society will be March 27 with Mrs. Herbert K. Peterson in charge of the program.

Hospital

Admitted to Schoolcraft Memorial Hospital were: Jeanette Clifton, Thomas Fleming, Dorothy Jolin, Evelyn Williams, Clytie Spenser.

Discharged were: Marie Males, Sharon Klagstad, Sandra LaFave, Nora Miller, Clayton Schnurer, Mary Gillam, Andrea Ott, Elsie Anderson, Frank Abrahamson, Clifford Christensen, James Mahieu, and Harold Emerson.

Summer School Program OK'd

A summer school program in basic skills for children in the Manistique area, kindergarten through eighth grade, has been approved by the State Dept. of Education, coordinator of Elementary-Secondary Education Act Funds.

The program, which will begin June 24, will accommodate 285 students and employ 19 certified teachers and 19 teacher-aides.

Referrals for the program will be made by individual teachers.

Miss Evelyn Berwin, elementary area coordinator, will be in charge of administering the summer program.

The program is funded entirely from Federal monies.

Food Handler's Clinic Monday

Alger - Schoolcraft Health Dept. is sponsoring a food handlers clinic in Manistique on Monday.

The first class will be at 2:15 Monday afternoon and a second class is scheduled for 7:30 Monday evening.

The classes will consist of a short lecture and several films to acquaint the food handler with the proper methods of handling, storing, and serving perishable items.

Local food ordinances in force in the city of Manistique and county of Schoolcraft require that food handlers attend a course of instruction. The course is ideal for waitresses and prospective waitresses.

Miss McDonough Honored For Her County Service

Miss Nora McDonough was honored by Schoolcraft County Board of Supervisors Tuesday night for 30 years service to the county as deputy and acting county treasurer.

Miss McDonough received a plaque from the Supervisors who also passed a resolution commending her for her years of service.

The plaque was presented by Merwin White, chairman of the Board of Supervisors.

Miss McDonough began her county employment on March 9, 1938 as deputy to the late Laura Williams, county treasurer. She is currently deputy to William Cowman.

Miss McDonough was honored Friday evening by courthouse employees at a party and presented with a gift from the group.

Births

LEMIRAND — Mr. and Mrs. Octave Lemirand, Cooks, are the parents of a boy, Brian Sylvester, born March 16, and weighing 7 pounds 8 ounces. The mother is the former Susan Tanguay.

JOHNSON — Mr. and Mrs. Paul Johnson, Box 311, Manistique, are the parents of a girl, Lisa Marie, born March 16 and weighing 9 pounds 13 ounces. Mrs. Johnson is the former Linda Hunt.

Schoolcraft County EVENTS AND NOTICES

The Merri-Makers Square Dance Club will meet Saturday at 8 p. m. in the Hiawatha School Gym. Host and hostesses are Mr. and Mrs. Wallen Godlewski and Mr. and Mrs. Larry Smith. Members are to bring sandwiches or cookies for lunch. Everyone is welcome!

The Used Clothing Sale sponsored by the Effie Carlington Circle of the First Baptist Church will be held at the Schubring Store, 218 Oak St., April 19-20.

The March 26 meeting of the VFW Auxiliary will be a social meeting with John Vargo, director of Bay Cliff Health Camp as guest speaker. He will present the "Bay Cliff Story." The film will be at 8 p. m. followed by cards and refreshments. A good attendance is requested!

Sunday, March 24 at 8 p. m. — St. Patrick Party Games at St. Francis de Sales Parish Center. Sponsored by St. Anne's Altar Society. Door prize & lunch. Everyone is invited!

Schoolcraft County Old & Young! Get out your centennial and lumberjack clothes. Also old time saws and anything else pertaining to the Good Old Fashioned Days Celebration sponsored by the American Legion Post No. 83 — July 3 and 4.

Ways and Means Committee of Manistique Women's Club will hold a bake sale during the April 26 meeting at Augustana Hall.

Daily Rummage Sale sponsored by St. Jude Circle in the garage of Mrs. William A. Norton, 121 S. 2nd St.

Presented as a public service every week by
First National Bank
Federal Deposit Insurance Corp.
Member and Booster of Chamber of Commerce

Manistique

MISS LINDA TENNYSON, 18, daughter of Mr. and Mrs. Howard Tennyson, 200 Weston Ave., Manistique, was accepted by Metropolitan College of Business and Technology, Milwaukee Training Center, in the Medical-Dental Assistant School. She is a member of the 1968 graduating class of Manistique High School, and will begin training in Milwaukee Sept. 9.

Plan Car Rally Here Sunday

The Fifth Annual Pioneer Rally for cars will be held Sunday afternoon at 12:30 in the Jaycee Club Rooms, K of C Building, River St.

Registration for the event, sponsored by the Emerald City Motor Club, will begin at 12 noon.

The Rally is open to all licensed drivers. It is not a test of speed but of navigation and ability to maintain a set average speed within the legal limits.

The route will consist of paved roads in the Manistique area.

Trophies will be awarded in two classes, expert and novice for drivers and navigators.

Entry fee is \$2.00. Persons desiring further information may contact any member of the Emerald City Motor Club or write P.O. Box 97, Manistique.

City Briets

Mr. and Mrs. Peter Hoholik and daughter, Jane, of Thompson, left Sunday for Houston, Texas where Jane is now a medical-surgical patient at St. Joseph Hospital. Her room number is 315, Houston 77002.

Mr. and Mrs. Barney Johnson, 417 Oak St. left Wednesday for Milford where they will visit their daughter, Cleo, and family. They were accompanied by Mrs. Alvin Nelson, 324 Range St., who will visit in Detroit with her son and daughter-in-law, Mr. and Mrs. James Nelson.

Mrs. Sally Bradley and Connie Chartier, office employees of Schoolcraft Memorial Hospital, attended a Medicare and Blue Cross meeting at The Northwoods in Marquette on Tuesday.

Dewayne Nygard is spending his semester vacation from Michigan Technological University at Houghton with his parents, Mr. and Mrs. Neil Nygard, 526 Garden Ave.

The Baltic Sea and the North Sea are Germany's two main gateways to the rest of the world.

On The Sidelines

With Mike Utt

When tourney sites were picked for the State Basketball Tournament quarter-final matches, somebody made a mistake. Wakefield, located in the extreme western U. P., had to travel some 300 miles to play St. Ignace in Cheboygan.

It would have been much more feasible to have the two teams meet in Marquette, Escanaba or some point in between which would equalize the travel distances.

Besides the obvious expense, the condition of the team has to be judged. What team is in shape to play a game as important as the state quarterfinals after traveling across the entire Upper Peninsula?

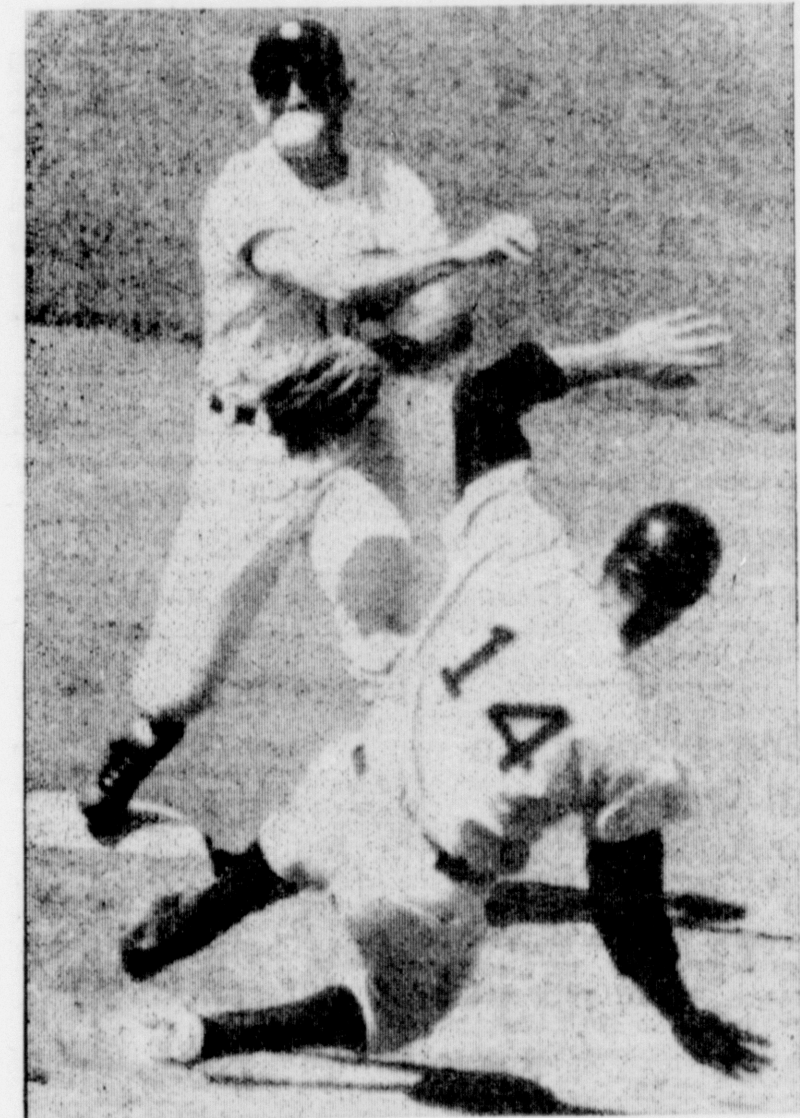

In addition to the expense costing the two schools, the fans following the teams must also pay toll bridge costs of \$7.50. This money could have been used to buy one tank of gasoline which would bring the teams and the fans to the game and back again if the site was equidistant from the two towns.

The quarter-final matches are a part of the state tournament and the Upper Peninsula is still a part of the state of Michigan, so why can't the U. P. fans get to see their favorites play without traveling distances of 300 miles or better?

Tom McKie, a 1963 graduate of Escanaba High School, teamed with John Biedenbach of Indianapolis to place second in the recent Michigan State University intramural paddleball doubles ladder tournament.

Menominee's fabulous Pat Miller headed the all-tournament team selected by tourney sportswriters and sportscasters at the Regional Tournament staged at Northern Michigan University this past weekend. Miller was also named the tournament's outstanding player.

Joining Miller on the first team were Hermansville's Randy Fochesato, Dave Haglund of Menominee, Wayne Lewis of Iron River and Roger Norkoli of Wakefield.

DICK MAULIFFE, Detroit Tiger second baseman, appears to have a face full of baseball, as he makes his throw to first base for a double play after getting Bob Aspromonte of the Houston Astros. Hector Torres grounded to shortstop Ray Oyler to start this fourth inning double play. (AP Wire-photo)

Hurlers Combine To Down Tigers

Bo and Jo are the talk of the baseball world these days but the Houston Astros are perfectly happy with Don and Tom, thank you.

While playboy Bo Belinsky and Playboy's Jo Collins were announcing plans to get married, right-handers Don Wilson and Tom Griffin were combining to pitch a one-hitter as the Astros edged Detroit 2-1 Wednesday in an exhibition baseball game.

There were other interesting developments on the baseball front.

Willie Mays had two teeth yanked by a dentist and Boston pitcher Dave Morehead almost lost a couple when he ran into a wall during a volley ball game.

There was some baseball played, too. Phil Linz and Ed Charles, who aren't even on the roster, sparked the New York Mets to a 5-1 triumph over Baltimore. Oakland's Sal Bando continued his spring slugging, cracking his sixth homer as the Athletics clubbed Cincinnati 6-2.

Mickey Mantle belted homer No. 1, starting the New York Yankees to a 9-1 victory over the minor league Mexico City Red Devils in the Mexican capital.

Dick Ellsworth became the first Boston hurler to work seven innings, checking his former Philadelphia teammates on one run and seven hits in a 6-1 Red Sox victory.

Orlando Cepeda's 10th-inning single scored the winning run as St. Louis overcame eight errors and edged Los Angeles 9-8. Willie Stargell's sacrifice fly drove in the decisive run as Pittsburgh shaded the Chicago White Sox 2-1.

Three runs in the eighth inning enabled California to overcome Cleveland 9-7 despite five hits by the losers' Max Alvis. The Chicago Cubs collected 17

Menominee, Detour Win In State Quarterfinals

By The Associated Press

Defending champion Mount Pleasant Sacred Heart was knocked out of Class C action as competition rose to fever pitch in the Michigan High School Basketball Tournament quarterfinals.

Sacred Heart was beaten by only four points, 69-65, by Saginaw St. Stephen in a quarter-final match Wednesday night that pitted two almost equally powerful teams against each other. Sacred Heart and St. Stephen took identical 21-1 records into the contest at Midland.

Two other defending champions — Flint St. Matthew in Class D and Menominee in Class B —

romped over opponents. St. Matthew, carrying a 14-8 record, stomped over Peck (14-7) 87-64 at Caro. Undeclared Menominee (19-0) overwhelmed St. Louis 96-80 at Grayling. St. Louis had a 21-1 record going into the game.

The quarterfinal victors battled Friday in semifinal contests at Lansing and East Lansing. Championships will be fought out Saturday.

CLASS A

Junior guard Don MacAloon of Birmingham Brother Rice netted 32 points—the highest for a single game in his career—but it wasn't enough to stave off a 75-67 defeat by the hands of De-

troit Austin in Class A high school basketball state tournament quarterfinal action Wednesday night.

Austin, now with a 14-6 record, snapped a 10-game Brother Rice winning streak. It was the third time in the season that Brother Rice bowed to Austin, which hasn't made it to the semifinals in East Lansing since Detroit Pistons star Dave DeBusschere played in 1958.

In other Class A action, top-rated Ypsilanti's 6-foot-8½ center Craig Larsen got 33 points to lead his team to a 73-70 victory over Battle Creek Central. Detroit Catholic Central beat Garden City East, 77-58, behind the 31-point shooting of Ron Gutkowski. Grand Rapids Ottawa Hills downed Saginaw 67-60.

CLASS B

Pat Miller dumped in 35 points to lead first-rated Menominee to a 96-80 triumph over St. Louis in Class B action. John Nametz was high man for St. Louis with 22 points.

Willow Run's Dave Hart had 35 points to lead his team to a 95-86 upset over Chesaning, rated fifth in the Associated Press high school basketball poll. Chesaning's Tom Beckman had 27.

Holland Christian, 24-0 on the season, outclassed Otsego by a score of 62-53. James Vogelzang had 16 points for the winners.

Detroit Servite extended its winning column to 20 games against two losses with a 64-55 victory over Saginaw Buena Vista. Frank Kolch and Alex DeYonker each had 17 for Servite.

CLASS C

Class C's top-rated Detroit All Saints romped over Flint St. Michael 60-45 behind Stanley Grayson's 25 points. It was the 25th consecutive win this season for All Saints, who have lost none.

A tall Eau Clair team beat down a short but scrappy squad from Leslie, 77-69, after trailing at the half 36-34. Dale Newman had 26 points and Dick Haskins added 25 as the pair produced most of Eau Clair's second half scoring.

A final basket with 20 seconds to go gave Wakefield a 70-68 squeaker over St. Ignace, as Michael Smolich scored 18 points for the winners. In other Class C action, Saginaw St. Stephen beat Mount Pleasant Sacred Heart 69-65.

CLASS D

DeTour, ranked at the bottom of the top 10 in the Associated Press poll, ran up a 31-18 lead in one quarter of play against Hermansville and went on to beat the Class D power 94-82.

Hermansville, ranked fifth in the poll, had knocked off top-rated Ewen Trout Creek in regional play. Class D defending state champion Flint St. Matthew rolled up

an 87-64 victory over Peck, as John Speria netted 42 points. Peck's Harvey Krosnicki had 32 points.

In other Class D action, Vanderbilt Freesol 52-50 and Waterford Our Lady beat Covert 70-68.

Here's the list of pairings in the high school basketball state tournament semi-final competition to take place in East Lansing Friday:

Class A

Grand Rapids Ottawa Hills 17-5 vs. Detroit Austin 14-6

Toronto Knocked Out Of Playoffs By Montreal Six

By The Associated Press

Time finally has run out on Punch Imlach's Toronto Maple Leafs.

The National Hockey League's Stanley Cup champions last year, the Leafs were eliminated from 1968's postseason playoffs Wednesday when they dropped a 3-2 decision to the Montreal Canadiens.

In other games, New York grabbed sole possession of second place in the East with a 5-3 victory over Chicago. Pittsburgh picked up valuable ground in the West by knocking off St. Louis 4-2. Philadelphia turned back Oakland 5-1 and

Los Angeles and Minnesota played a 3-3 tie.

Bobby Rousseau sealed the Leafs' doom with a pair of first period goals that forced Toronto to play catch-up hockey and the Leafs never quite caught up.

With only six games remaining, Toronto's maximum possible point total is 78—one less than fourth-place Chicago already has achieved. Only four teams in each division qualify for the playoffs.

Bob Nevin scored three times—twice in the final 4½ minutes—as the Rangers opened a two-point gap over idle Boston and a three-point lead over Chicago in the battle for second place in the East.

The Black Hawks, who out-shot New York 51-34, had wiped out a 3-1 New York lead with third-period goals by Stan Mikita and Doug Mohns. But 21 seconds after Mohns scored, Nevin hit for a 4-3 Ranger lead. Then Nevin's third goal of the night and 27th of the season wrapped it up.

Goalie Ed Giacomin was brilliant in the Ranger nets, stopping 20 Chicago shots in the first period as goals by Nevin and Orland Kurtenbach got New York off to a 2-0 lead.

Pittsburgh, battling to gain a playoff spot in the West, moved within five points of fourth place by knocking off St. Louis.

The Penguins snapped a 1-1 tie in the third period when Noel Price and Gene Ubriaco clicked 62 seconds apart. Then, after Jim Roberts cut the lead to one goal and St. Louis pulled Glenn Hall for an extra attacker in the final minute, Ken Schinkel hit the empty net for the clincher.

Philadelphia handed Oakland its 10th straight setback while the West Division leaders opened up a four-point lead over Los Angeles. Bill Sutherland, Forbes Kennedy, John Miszuk, Andre Lacroix and Don Blackburn scored for the Flyers while Charlie Burns produced the Seals' lone goal.

Andre Boudrias' goal with 58 seconds remaining enabled Minnesota to deadlock Los Angeles after the Kings had built a 3-1 lead after two periods. The North Stars took over undisputed possession of third place in the West.

Peacocks, Flyers Favored In NIT

NEW YORK (AP) — St. Peter's and Dayton, their big surprises uncovered, are the fancy and the favorite against rugged Kansas and Notre Dame in tonight's semifinals of the National Invitation Basketball Tournament.

The small, but amazingly quick Peacocks — probably an underdog but a gallery favorite — meet defensive-minded Kansas as the Flyers oppose Notre Dame and its stubborn defense in the doubleheader at Madison Square Garden.

The winners meet Saturday at 2 p.m., EST, in the final on national television. The losers meet for third place at noon.

Few expected St. Peter's to get this far, but few knew the Peacocks could run like they do. The New Jersey school, utilizing a rocketing fast break, swept aside Marshall and stunned top-seeded Duke.

And the Peacocks, their tallest starter at 6-foot-5, unveiled Elnardo Webster, who caught the crowd's fancy by scoring 80 points in the two games.

Dayton, on the other hand, the runner-up in the NCAA tourney last year and a favorite here, has second team All-American Don May and its own surprise — Dan Obrovac, a 6-10 center.

Obrovac, a 6.6 point a game scorer, dropped in 30 in the triumph over West Virginia and then hit six straight free throws in the final 2½ minutes to beat Fordham.

St. Peter's and Kansas, another favorite in its first NIT, are completely different. The Peacocks, small, quick, the nation's third best offensive team. The Jayhawks: tall, slower, among the top 10 defensive teams in the country. They have Jo Jo White and a 6-10, 6-6, 6-5 front line.

Don't Overlook Buckeyes Or Tarheels In Finals

LOS ANGELES (AP) — With talk centering on Houston and UCLA, many overlook the obvious fact that either Ohio State or North Carolina will be in the NCAA basketball finals.

The surprising Buckeyes of the Big Ten and the Tar Heels battle in the opening semifinal game on Friday night at 7 p.m., PST, before Elvin Hayes leads No. 1 rated Houston against the Lew Alcindor — led No. 2 Bruins of UCLA at 9 p.m.

Winners of the two games meet at 7 p.m. Saturday to decide the national championship won by UCLA last year. Coach

John Wooden of the defending champs says either Houston or his UCLA Bruins might suffer a letdown after winning Friday night.

Hayes and Alcindor are All-Americans and so is North Carolina's Larry Miller, who could steal the show. The 6-foot-4-inch senior averaged 22.7 points during a campaign which saw the Tar Heels post a 27-3 record and rank No. 4 in the AP poll.

Miller's top help probably will come from 6-10 Rusty Clark, most valuable player in the Eastern regionals, and 6-5 sophomore guard Charlie Scott, whose moves remind some of Oscar Robertson.

This marks the second time the NCAA championships have been held in California and it was Ohio State which won the first time, with a 75-55 victory over California at San Francisco in 1960.

No one was betting on the

Buckeyes to make it to the Pacific Coast this year.

"We sort of came back from the dead to make it to the semifinals," admitted Coach Fred Taylor.

Iowa led the Big Ten until beaten by Michigan in the final conference game. That tied the Hawkeyes with the Buckeyes and Ohio State won in a playoff.

Then came a surprising 82-81 triumph over Kentucky for the regional title.

Bill Hosket leads the Buckeyes scorers with a 20.4 average, but the quarterback has been Denny Meadows, a 6-foot guard, who was injured a year ago and didn't return to his best playing shape until the current campaign was one-third over. Then Ohio State began to click.

Sports Network Inc., will televise the Houston-UCLA game nationally on Friday night with the Los Angeles area blacked out and will also carry Saturday night's championship game at 7 p.m. following the consolation which begins at 5 p.m.

Pistons Defeat Celtics To Gain First Playoff In Five Years

BOSTON (AP) — "Sure I'm happy as hell that we won, I'd be crazy if I weren't," said Detroit Pistons' star Dave DeBusschere. His team defeated the Boston Celtics 125-116 Wednesday night and gained the National Basketball Association playoffs for the first time in five years.

The Pistons then gathered around a lockerroom radio to listen to the result of the New York-Cincinnati game, won by New York 108-106.

That result dumped the Royals into fifth place in the Eastern Division. A Royals' victory would have forced a playoff between Detroit and Cincinnati for fourth place.

"I don't want nobody to give me nothing," DeBusschere said, after scoring 32 points in the game.

Bill Russell, the Celtics' player-coach did not play in the contest.

Another Boston starter, Seth Sanders, also was forced out of the contest due to minor injuries.

"With Russell not in there, we were able to go to the hoop and take a lot of shots we normally would not be able to," DeBusschere added.

Detroit's Dave Bing said of his team's victory, "We were really up and played our type of ball."

"The second half had turned around," he said, referring to a Boston comeback after Detroit had raced to a 74-50 halftime lead.

DeBusschere's scoring was high for both teams. Bing got 23 for the Pistons, while Larry Seifried and Wayne Embry topped Boston with 23 each.

Oscar Robertson led the Royals in a frantic scramble in the closing minutes against New York. Baskets by him and Adrian Smith closed the count to 107-106 with 35 seconds left.

The Knicks regained the ball and with three seconds left Emmette Bryant was fouled by Smith and sank the free throw. Cincinnati got the ball to Lucas in the corner and his hook shot narrowly missed.

Howard Komives led the Knicks with 21 points, making his first eight floor shots. Robertson paced the Royals with 28.

Boston, finishing second in the East, now meets Detroit in the first playoff round starting Sunday.

In the other season-ending games Wednesday, Philadelphia beat Baltimore 137-129 and Chicago whipped San Diego 121-112.

In the American Basketball Association, Dallas beat New Jersey 109-97 and Houston took Oakland 128-111.

Wilt Chamberlain's 26 points paced the 76ers past the Bullets. Earl Monroe had 46 for the Bullets, but fell short of 2,000 points for the season, finishing with 1,991.

San Diego absorbed its 15th consecutive defeat and 32nd in the last 33 starts at the expense of playoff-bound Chicago. Flynn Robinson sparked the Bulls with 29 points, 22 in the first half, while Henry Finkel's 21 points were high for the Rockets, who wound up their first NBA season with a 15-67 record.

Sparks Could Fly In Majors

MIAMI (AP) — Baseball's major leagues have skirted a head-on clash over expansion differences. But sparks could fly in the near future if the American League splits down the middle while the National stands pat.

Following a pair of no decision sessions on expansion before and during an executive council meeting Wednesday, the two leagues announced they would meet separately next month to plot courses for the 1969 season.

The American League goes to 12 teams next year with the addition of Seattle and Kansas City franchises and reportedly favors a two-division set-up with a pennant playoff to determine its World Series representative.

League President Joe Cronin denied that the two-division plan has been discussed formally, but said the matter would be on the agenda at an April 25 meeting in Chicago.

An AL playoff could raise havoc with the final week of a 16-team National League race unless some scheduling balance can be agreed upon. Or unless the National League, which has voted to expand not later than 1970, makes its move next year to keep in step.

Battered Wings Nearing Close

DETROIT (AP) — The battered Detroit Red Wings, with six games left in their worst National Hockey League season in years, host the Toronto Maple Leafs tonight in a final bid to get out of the East Division cellar.

The Wings, with six games left to play, still have a mathematical chance to overtake the Leafs for fifth place. Detroit trails Toronto by five points.

Manager-Coach Sid Abel said forward Bruce Macgregor and defenseman Gary Bergman should be ready for tonight's game but Pete Mahovich is a doubtful starter.

Macgregor suffered a bruised hand and elbow in a game with the St. Louis Blues last week. Bergman suffered a bruised foot when he was struck by a shot.

Mahovich was injured in a scuffle with Blues' defenseman Noel Picard. He suffered a deep knee. The injury may require surgery.

Spartans Trip Rutgers Nine

MIAMI, Fla. (AP)—Michigan State rapped Rutgers pitching for 17 hits, including a three-run homer by Tom Hummel in the six-run fifth inning, while posting a 17-3 victory Wednesday in the Miami Collegiate Baseball tournament.

Dan Bielski, with relief help from Phil Fulton, posted his first victory of the season. He gave up four hits and two runs, one unearned, in seven innings.

Rich Harlow, Steve Garvey and Steve Rymal each had three hits for the Spartans. Rymal drove in four runs.

Rich Surdez hit a solo homer off Fulton in the eighth.

The victory was MSU's second in three games. Rutgers now stands 1-2. The Spartans met Ohio State today.

Rutgers 001 010 010—3 6 3
Mich State 503 061 20x—17 17 3

Brittelle, Gilles (3), Bukowsky (5), Stewart (8) and Lipman, Miller (5), Bielski, Fulton (8) and Linne.

LEGAL NOTICES

9299 Order to Show Cause
IN THE CIRCUIT COURT FOR
THE COUNTY OF DELTA
IN THE MATTER OF
THE VOLUNTARY DISSOLUTION
OF ALLTOWN DISTRIBUTORS,
INC., a Michigan corporation,
UPON PETITION OF THE BOARD
OF DIRECTORS THEREOF.
ORDER TO SHOW CAUSE
FOR VOLUNTARY
DISSOLUTION, RESTRAINING
ORDER AGAINST COMMENCE-
MENT OF ACTIONS OR EN-
FORCEMENT OF LIENS OR OR-
DERING TIME FOR FILING OF
ANSWERS TO COMPLAINT
AT A SPECIAL SESSION OF
SAID COURT, held at the Court-
house in the County Building in
the City of Marquette, Michigan,
this 12th day of March, 1968.
PRESENT: HONORABLE BERN-
ARD H. DAVIDSON, Circuit
Judge.
There having been filed the Com-
plaint of GORDON K. BEAN, DEL-
ORES M. BEAN and LORRAINE
SHINER, constituting the majority
of the Board of Directors of ALL-
TOWN DISTRIBUTORS, INC., a
Michigan corporation, praying for
the dissolution of said corporation,
for the appointment of a Temporary
Receiver, for the appointment of
a Permanent Receiver, for Re-
straining Order against commence-
ment of suit or prosecution of any
action, and restraining order against
continued prosecution or commence-
ment of action.
IT IS ORDERED, that all persons
interested in the property and as-
sets of ALLTOWN DISTRIBUTORS,
INC., a Michigan corporation, and
all persons, firms, corporations,
creditors, stockholders, governmen-
tal agencies, lien holders, and all
persons interested in said corpora-
tion, should appear at the hearing
on the date of said day, or as
soon thereafter as counsel may be
heard.
IT IS FURTHER ORDERED, that
all persons interested in said cor-
poration show cause, if any they
may have, why a Permanent Re-
ceiver should not be appointed for
said corporation on the date to
show Cause, and it is
FURTHER ORDERED, that a
copy hereof shall be served by
mail upon all creditors and stock-
holders of ALLTOWN DISTRIBUTORS,
INC., a Michigan corporation, not
less than thirty (30) days
before the date of said hearing,
and a copy of this Order shall be
published once each week for three
successive weeks in the Escanaba
Daily Press, a newspaper circulated
in the City of Escanaba, County of
Delta, State of Michigan, and such
publication shall commence with
the week beginning Monday,
March 11, 1968.
IT IS FURTHER ORDERED, that
in the interim, and until the hear-
ing of said Order to Show Cause,
all persons, firms, corporations,
creditors, stockholders, governmen-
tal agencies, lien holders, and all
persons interested in said corpora-
tion, should not commence any
proceedings in any Court, against
said corporation, without first ob-
taining permission of this Court;
and from enforcing any liens for
taxes, encumbrances, or mortgages,
and from holding any sale of the
assets of the corporation, for the
collection of any tax, lien or en-
cumbrance, until the further Or-
der of the Court.
IT IS FURTHER ORDERED, that
all persons interested in said cor-
poration, and in the hearing to
show cause, if any they may have,
shall file their Answers to the
Complaint of the above said direc-
tors not less than ten (10) days pri-
or, to-wit: April 2, 1968.
Bernard H. Davidson
Circuit Judge
Dated: March 12, 1968

Israel Honoring Sam Cohodas

ISHPEMING — Sam Cohodas, Ishpeming financier, has been chosen to receive the Jerusalem Liberation Award at his winter home in Sarasota, Fla. The presentation will be made on April 6, the 20th anniversary of the founding of the State of Israel.

Col. Ipzhak Yazneth of the Israeli Air Force will fly to

Sam Cohodas

Sarasota to make the presentation.

Approximately 600 persons are expected to attend the presentation, which will be made at a dinner program in the Sarasota Motor Hotel. It will mark the first time this award has been presented since the Jewish-Arab war.

Although Cohodas has been going to Sarasota during the winter for many years, he has maintained his residence in Ishpeming, but Sarasota has adopted him as a "native son" for the forthcoming occasion in recognition of the work he has done in the 20 years since the founding of Israel.

During that time he has been an outstanding supporter of the annual United Jewish Ap-

peal both in the purchase of Israeli bonds and in his effort to raise funds for the forces during the war with Egypt.

The medal to be presented to Cohodas was struck to mark the 20th anniversary of the founding of Israel.

Cohodas is president of the Miners First National Bank of Ishpeming and the First National Bank & Trust Co. of Marquette. He also is president of several fruit and vegetable companies, including the Cohodas Orchard Co., Elberta Packing Co., Cohodas - Lancaster-Frank Co. and Yakima Fruit & Cold Storage Co.

Cohodas also is active in several other companies including Northwest Fruit Co. of Escanaba and has been a civic leader for many years.

He has been commander of an American Legion post, president of the Ishpeming Rotary Club, vice president of the Mather Inn, director of the Bell Memorial Hospital, chairman of drives for industrial projects, hospital funds and Community Chest. He also has conducted a one-man drive to raise funds for an extensive building program at Bay Cliff Health Camp. He serves as human relations coordinator for civil rights in Marquette County.

Cohodas was honored by Ishpeming as its "Man of the Year" in 1960.

'Free Rap Brown' Mob Invades Gun Dept. At Store

DETROIT (AP) — Chanting "Free Rap Brown," about 150 demonstrators staged a rally in the gun department of a downtown Detroit department store Wednesday.

Newsman at the scene reported that several persons demanded free guns, saying they could not afford any. But they dispersed peacefully after workers in the J. L. Hudson department store turned down their request.

There were no arrests, although several policemen were at the store. Some boxes of cartridges were stolen by demonstrators, newsman reported.

The demonstrators broke off from a 600-member rally a block from the store when a man with a bullhorn called for them to go to the second floor of the department store, where the gun department is located.

The rally was called by the Student Non-violent Coordinating Committee and other black nationalist groups to protest the jailing of Brown, SNCC's chairman. There were some whites in the group.

Lansing Votes On Income Tax

LANSING (AP) — City Council has set May 9 as the day Lansing voters approve or reject a 1 per cent city income tax.

The income tax referendum, forced by a Jaycee petition drive, will coincide with a special millage election called by the Lansing School District Board of Education.

If voters approve the income tax, it would go into effect July 1. If the measure is turned down, the city would be prohibited from enacting the tax ordinance again for at least two years.

DATA DISKS are 14 inches in diameter and coated with magnetic iron oxide. Six are assembled into a disk-pack to rival the more familiar tape reel. The disk-pack is "played" on a turntable that makes 2,400 revolutions a minute (72 times as fast as LP) while storing and retrieving information magnetically. Assembly is done at Honeywell's Newton, Mass. plant.

Brimley Marine Killed In Action

WASHINGTON (AP) — The Defense Department said Wednesday two Michigan men previously reported missing in action in Vietnam have been found dead of hostile action.

They are Army Pfc. Paul L. Bigelow, son of Mrs. Cleo Bigelow of Grand Rapids, and Marine Corps Pfc. Donald R. Bumstead, son of Mr. and Mrs. Laurence E. Bumstead of Brimley.

Archaeologists Meet March 31

GRAND RAPIDS (AP) — Rock carvings, Indian trade and excavations in Grand Traverse County highlight the annual spring meeting in Grand Rapids March 31 of the Michigan Archaeological Society. More than 800 amateur and professional archaeologists are members of the society.

Dr. David Armour of the Mackinaw State Park Commission will discuss documents and Indian trade: Ira Butterfield of Bay City will report on the Sanilac petroglyph (rock carving) project, and Dr. Elizabeth Baldwin of Western Michigan University is to show a film on excavations at Skegemog Point in Grand Traverse County.

Mackinaw Clears Lake Huron Ice; Then Escanaba

PORT HURON (AP) — Lake Huron shipping lanes should be open in another four to seven days, according to Capt. George Winstein, commanding officer of the Coast Guard Ice Cutter Mackinaw.

The Mackinaw currently is plying its way southward from Cheboygan to Port Huron, Mich., with the duty of breaking up the ice along the way.

There is no official opening of the lakes. Lt. Ron Coonen,

public information officer from Coast Guard Ninth District Headquarters in Cleveland, says any ship can try to go through the lakes at any time. If they get stuck the Coast Guard is charged to assist them.

Winstein said the ice is not as tough as last year and the Mackinaw is breaking it with "considerably less effort." He adds the four to seven day prediction for a shipping opening depends on continuing weather conditions.

After the Mackinaw leaves Port Huron it will move north to break up ice in the St. Mary's river at Sault Sainte Marie, preparing the way for the soon - to - be opened Sault Locks leading into Lake Superior. Next stop is through the Straits of Mackinaw where the big icebreaker will clear north-east Lake Michigan to Escanaba, Mich. and Green Bay, Wisconsin.

\$1 OFF

the new improved variety of Kentucky bluegrass

Here's your opportunity to save on WINDSOR, for a lawn that feels like velvet and wears like iron. Windsor makes magnificent green turf. Loves summer heat and thrives under hard use. It's one of the last turf grasses to be affected by drought. Ideal for seeding a new lawn or improving the one you have.

Windsor, 2,500 sq. ft. box, reg. 11.95 **10.95**

Also 50c off 1,000 sq. ft. box, Reg. 4.95, 4.45

\$2 OFF

combination fertilizer and crabgrass preventer

The best way to lick crabgrass is also the easiest. Just spread HALTS PLUS on your lawn. It goes right to work full-fertilizing your good grass — making it grow sturdier and greener. At the same time Halts Plus lies in wait and knocks off crabgrass as it germinates. Result? A greener, thicker, healthier lawn without crabgrass this summer.

5,000 sq. ft bag, reg 14.95 **12.95**

Also \$1 off 2,500 sq. ft. bag, Reg. 7.95, 6.95

FOR SALE Jack Pine Pulpwood

Rapid River School Forest

T41N, R21W, Section 27, S1/2-NW1/4 and SW1/4

Lump Sum Sale — estimated volumes and values shall be accepted as final.

919 cords of Jack Pine Pulpwood

38 cords of Scotch Pine Pulpwood

A timber sale permit will be awarded the responsible bidder enclosing the largest cash bonus in a sealed bid. In addition, the bidder shall agree to pay the following established lump sum stumpage payments:

Block 1 — North of Old U. S. 2 — \$2,088.40

Block 2 — South of Old U. S. 2 — \$2,313.80

No cutting will be permitted in a block until the lump sum payment for that block is paid in full.

A \$400 cash or surety bond shall be posted by the successful bidder at the time the timber sale permit is signed.

Cutting Specifications:

Cut all marked Jack Pine and Scotch trees in the roadside zone along old U. S. 2.

Cut all Jack Pine which are 8 inches in diameter or more at normal stump height in the unmarked areas.

Slash Requirements:

Slash shall be pulled back to at least 50 feet from center line of county roads.

Penalties:

A penalty of 50 cents a tree will be charged for all trees cut that do not meet or exceed an 8 inch diameter at normal stump height.

Operations on the permit issued will terminate December 31, 1969.

The right to reject any and all bids is reserved.

Bids must be received by Richard Dye, Superintendent of Schools, Bay de Noc Elementary School, Rapid River, payable to Rapid River Public Schools, not later than 10:00 a. m., C. S. T., on March 29, 1968.

For further information concerning this sale, contact Michael Zuidema, Area Forester, Bay de Noc State Forest, 1126 North 21st Street, Escanaba, Michigan, 49829

Richard Dye

Superintendent of Schools
